## **Mulengro A Romany Tale:**

*Mulengro* Charles de Lint, 2007-04-01 A tale of magic and murder The increasingly bizarre murders have baffled the police but each death is somehow connected with the city's elusive Gypsy community The police are searching for a human killer but the Romany know better They know the name of the darkness that hunts them down one by one *Mulengro*

**Mulengro** Charles De Lint, 1995      **The Role of the Romanies** Nicholas Saul, Susan Tebbutt, 2005-01-01 Since the arrival of the Gypsies or Romanies in Europe at the beginning of the eleventh century Europeans have simultaneously feared and romanticized them That ambiguity has contributed to centuries of confusion over the origins culture and identity of the Romanies a confusion that too often has resulted in marginalization persecution and scapegoating *The Role of the Romanies* brings together international experts on Romany culture from the fields of history sociology linguistics and anthropology to address the many questions and problems raised by the vexed relationship between Romany and European cultures The book's first section considers the genesis development and scope of the field of Romany studies while the second part expands from there to consider constructions of Romany culture and identity Part three focuses on twentieth century literary representations of Romany life while the final part considers how the role of the Romanies will ultimately be remembered and recorded Together the essays provide an absorbing portrait of a frequently misunderstood people      **The Routledge Introduction to Canadian Fantastic Literature** Allan Weiss, 2020-12-29 This study introduces the history themes and critical responses to Canadian fantastic literature Taking a chronological approach this volume covers the main periods of Canadian science fiction and fantasy from the early nineteenth century to the first decades of the twenty first century The book examines both the texts and the contexts of Canadian writing in the fantastic analyzing themes and techniques in novels and short stories and looking at both national and international contexts of the literature's history This introduction will offer a coherent narrative of Canadian fantastic literature through analysis of the major texts and authors in the field and through relating the authors work to the world around them      **Knowing Their Place? Identity and Space in Children's Literature** Terri Doughty, Dawn Thompson, 2011-12-14 Traditionally in the West children were expected to know their place but what does this comprise in a contemporary globalized world Does it mean to continue to accept subordination to those larger and more powerful Does it mean to espouse unthinkingly a notion of national identity Or is it about gaining an awareness of the ways in which identity is derived from a sense of place Where individuals are situated matters as much if not more than it ever has In children's literature the physical places and psychological spaces inhabited by children and young adults are also key elements in the developing identity formation of characters and through engagement of readers too The contributors to this collection map a broad range of historical and present day workings of this process exploring indigeneity and place tracing the intertwining of place and identity in diasporic literature analyzing the relationship of the child to the natural world and studying the role of fantastic spaces in children's construction of the self

They address fresh topics and texts ranging from the indigenization of the Gothic by Canadian mixed blood Anishinabe writer Drew Hayden Taylor to the lesser known children's books of George Mackay Brown to eco feminist analysis of contemporary verse novels. The essays on more canonical texts such as Peter Pan and the Harry Potter series provide new angles from which to revision them. Readers of this collection will gain understanding of the complex interactions of place space and identity in children's literature. Essays in this book will appeal to those interested in Children's Literature Aboriginal Studies Environmentalism and literature and Fantasy literature.
