**A Jungian Inquiry into the American Psyche** Ipek S. Burnett, 2019-07-23 In A Jungian Inquiry into the American Psyche The Violence of Innocence Ipek Burnett s penetrating cultural criticism enriched with psychoanalytical and Jungian insight offers a timely interrogation of national consciousness in the United States Through evocative storytelling Burnett unpacks the images and myths that run deep in the American psyche from that of the New World the city upon a hill to the Manifest Destiny the melting pot and the pursuit of happiness Against this backdrop she investigates the vicious cycles of innocence and violence that have dominated American history and continue to reinforce systematic oppression in America evident in racial and economic inequality xenophobia materialism and more Burnett s thought provoking analysis exposes the ways in which psychological defenses such as historical amnesia projection denial and dissociation work on a collective level helping

America avoid a confrontation with these violent truths of its past and present circumstances and its national character With its seamless multidisciplinary approach and revealing insight this book will be of great interest to psychologists scholars and students of Jungian and post Jungian thought depth psychology and cultural and American studies Eloquent and accessible it will engage readers who strive to be self reflective well informed global citizens      **Multicultural Film** ,2005      *British Education Index* ,2005
