Multiculturalism In Libraries:

Multiculturalism in Libraries Rosemary R. Dumont, Lois J. Buttlar, William A. Library Services for Multicultural Patrons Carol Smallwood, Kim Becnel, 2012-10-12 Increasingly, libraries are struggling to deal with a growing diversity in the cultural background of their patrons. Problems arising from this cultural diversity afflict all library types: school, public, and academic. *Library Services for Multicultural Patrons* is by and for all librarians that are striving to provide multicultural services to match the growing diversity in the cultural background of patrons. The book is designed to offer helpful tips and practical advice to academic, public, and school librarians who want to better serve the multicultural groups in their communities. The contributors to the book are themselves practicing librarians and they share creative ideas for welcoming multicultural patrons into libraries and strategies for serving them more effectively. Librarians will find in these chapters tried and true tips and techniques for marketing and promotion, improving reference services for speakers of English as a second language, and enhancing programming that they can easily implement in their own libraries and communities. The chapters are divided into the following categories for ease of access: 1. Getting Organized and Finding Partners, 2. Reaching Students, 3. Community Connections, 4. Applying Technology, 6. Outreach Initiatives, 6. Programming and Events, and 7. Reference Services. Librarians of all types will be pleased to discover easy-to-implement suggestions for collaborative efforts, many rich and diverse programming ideas, strategies for improving reference services and library instruction to speakers of English as a second language, marketing and promotional tips designed to welcome multicultural patrons into the library, and much more.

Beyond Article 19 Julie Biando Edwards, Stephan P. Edwards, 2010 *Beyond Article 19 Libraries and Social and Cultural Rights* addresses the subject of libraries and cultural rights a topic that has received relatively little attention in the past but which librarians and others concerned with human rights are beginning to recognize and talk about. Librarians have long been concerned with individual rights and have worked tirelessly indeed making it a basic tenet of the profession to protect and preserve those rights. Little has been written about the role that libraries can play in protecting and promoting group rights specifically cultural rights. This book examines this shortfall by exploring the relationship between libraries cultural rights and community life and identity. **Achieving Diversity** Barbara I. Dewey, Loretta Parham, 2006 Barbara Dewey and Loretta Parham join 50 other librarians including Tracie Hall, Emma Bradford Perry and Hannelore B. Rader to explore one of the major issues facing the profession diversity. This innovative guide explores how librarians can ensure that their services staff and collections truly reflect our multicultural society. Chapters cover strategic planning, recruiting and retaining minorities, reaching out to new users, marketing to underrepresented populations, building collections for marginalized groups, overcoming the digital divide, assessment and other important topics. The contributors provide numerous forms and documents including library diversity plans, residency and intern job descriptions, recruitment materials, programming plans and documents, and web resources. With guidance drawn from real experience in public and academic libraries, this unique guide will help to make diversity a reality in libraries. **Bridging Cultures** New York Library Association.
