Multilateral Institutions A Critical Introduction:

Multilateral Institutions Morten Bøås, Desmond McNeill, 2003-02-20 In recent years a great deal of public attention has been focussed on multilateral institutions such as the World Bank IMF and WTO This book offers students practitioners and activists a critical guide to these and other major institutions the Regional Development Banks and UNDP that make up the multilateral development system It analyses how they operate with respect to financing and lending the various roles that they play and related changes in their policy concerns such as structural adjustment sustainable development and governance The emphasis is on politics within and also between multilateral institutions analysing the relations both competitive and collaborative between for example the World Bank and UNDP NGOs are also shown to be important actors and the role they have played in recent years is critically assessed The book concludes with some emerging trends the privatisation of the system regionalisation and the politics of protest B s and McNeill do not simply take the policies of multilateral institutions at face value but ask how and why these policies came into existence They seek to promote critical but informed engagement both with the member states of multilateral institutions and the institutions themselves

Routledge Handbook of Diplomacy and Statecraft B.J.C. McKercher, 2012-03-12 Despite post Cold War arguments about their demise Great Powers not only continue to thrive with lesser Powers they form the basis of the constellation of global politics This topical new Handbook illustrates how and why the new international order has evolved and is still evolving since the end of the Cold War through the application of diplomacy and statecraft Including cutting edge contributions from over 40 scholars the handbook is structured around seven sections Context of Diplomacy Great Powers Middle Powers Developing Powers International Organisations and Military Alliances International Economy Issues of Conflict and Co operation Through analysis of a wide range of case studies the Handbook assesses the diplomacy and statecraft of individual powers offering insights into how they function their individual perception of national interests and the roles they play in modern statecraft The contributors also seek to evaluate the organizations and contemporary issues that continue to influence the shaping of the new international order A comprehensive survey of diplomacy across the world this work will be essential reading for scholars and professionals alike **The Routledge Handbook of Diplomacy and Statecraft** B.J.C.

McKercher, 2022-01-30 Reflecting the profound changes in international society in the past decade and the challenges that all Powers diplomacy and statecraft face whether opposing or encouraging these changes this fully revised and updated edition provides a unique multifaceted assessment by experts of the new international order Built around the thesis that Great Power rivalry dominated after the end of the Cold War it examines how this multi polarity has become more extreme The Handbook assesses the diplomacy and statecraft of individual powers in seven key sections The Context of Diplomacy The Great Powers Middle Powers Developing Powers International Organisations and Military Alliances The International Economy Issues of Conflict and Co operation It shows how diplomacy and statecraft have transformed on issues such as the evolving America

First strategy the strengthening of the People's Republic of China the growth of non state actors in foreign policy the unravelling of international arms control agreements the aggressive nature of Russian foreign policy and the emergence of major armed conflicts and the rise of terrorism and armed insurgencies around the world It will be of interest to government and non governmental actors established scholars and students in the fields of international relations history and military studies

Global Institutions and Development Morten Boas, Desmond McNeill, 2004-03 Examines the concepts that have powerfully influenced development policy and more broadly looks at the role of ideas in international development institutions and how they have affected current development discourse

Pursuing Effective Multilateralism Robert Kissack, 2010-06-16 Does EU participation in the multilateral system lead to the goal of effective multilateralism This book examines 8 multilateral organizations showing how EU policies harm the organizations they mean to help The multilateral system is too heterogeneous for a one size fits all approach we must understand multilateralism working in practice

Global Governance and the UN Thomas George Weiss, Ramesh Chandra Thakur, 2010 In the 21st century the world is faced with threats of global scale that cannot be confronted without collective action Although global government as such does not exist formal and informal institutions practices and initiatives together forming global governance bring a greater measure of predictability stability and order to trans border issues than might be expected Yet there are significant gaps between many current global problems and available solutions Thomas G Weiss and Ramesh Thakur analyze the UN's role in addressing such knowledge normative policy institutional and compliance lapses The UN's relationship to these five global governance gaps is explored through case studies of some of the most burning problems of our age including terrorism nuclear proliferation humanitarian crises development aid climate change human rights and HIV/AIDS

People, States and Regions Anne Hammerstad, 2005 This book assesses the achievements of Southern African security integration in a comparative perspective Edited by Dr Anne Hammerstad it highlights some of the main challenges facing SADC and suggests some potential ways they could be overcome by learning from other regional initiatives It argues

that of the regional organisations reviewed SADC could in particular benefit from emulating some of the practical policies developed by the Organisation for Security and Co operation in Europe to build and strengthen democratic governance and the rule of law in member states SADC would also do well to take a closer look at ECOWAS's border approach to dealing proactively with political crises in the West African region The book compares the vision of the SADC's regional security integration scheme set out in various regional agreements with its reality Then it places SADC's security integration efforts within the greater picture of the transformation of Africa's security architecture Lastly it reviews SADC's efforts in a global comparative perspective by looking at the efforts of other regional organisations such as the OSCE and the ASEAN Publisher description
