

Multiracial Identity

Kristen A. Renn

Multiracial Identity:

Spurious Issues Rainier Spencer, 2019-07-11 This book is an examination of multiracial identity politics in the United States and of the specific issues surrounding Office of Management and Budget's review the parties concerned the history of federal racial categorization and the significance of the new rules on race in America *Challenging Multiracial Identity* Rainier Spencer, 2006 A hard hitting critique of multiracial identity scholarship Challenging the most basic of assumptions Spencer's book has the potential to raise the standards of an entire field of study Kerry Ann Rockquemore University of Illinois at Chicago A brilliant book well written a breath of fresh air Spencer's careful analysis of research on multiracial identity is a prelude to hard hitting ideas that will make the reader think Robert M Moore III Frostburg State University What is multiracialism and what are the theoretical consequences and practical costs of asserting a multiracial identity Arguing that the multiracial movement bolsters rather than subverts traditional categories of race Rainier Spencer critically assesses current scholarship in support of multiracial identity Rainier Spencer is director of the Afro American Studies Program and associate professor in the Department of Anthropology and Ethnic Studies at the University of Nevada Contents Introduction Expecting Excellence in the Field of Multiracial Identity Studies Ethnographic Analysis Three Authors Three Studies One Problem Psychobabble Socioblather and the Reinscription of the Pathology Paradigm White Mothers the Loving Legend and Manufacturing a Biracial Baby Boom Distinction Without Difference The Insidious Argument for First Generation Black White Multiracial Identity The Road Forward *Multiracial Identity and Racial Politics in the United States* Natalie Masuoka, 2017-08-30 Natalie Masuoka's *Multiracial Identity and Racial Politics in the United States* traces the historical forces that created a new cultural norm to racially self identify as multiracial and offers evidence on the possible political implications of this racial identity *New Faces in a Changing America* Loretta I. Winters, Herman L. DeBose, 2002-11-14 *New Faces in a Changing America* is a comprehensive penetrating authoritative and provocative examination of what it means to be multiracial in this country With contributions by the leading thinkers activists and researchers on the subject it admirably links theory and the powerful lived experiences of mixed race people This book will be the most important reference source on the subject for many years James P Allen California State University Northridge Not since the work of Root has there been as important of an anthology as *New Faces in a Changing America* This book explores the reality of multiracial people from a variety of theoretical and conceptual perspectives It is a must read for anybody who want to understand the multiracial movement and the multiracial people who lead that movement Any teacher who wants to introduce the concept of multiraciality to his/her class must also have this book Winters and DeBose are to be commended for putting together this first rate academic examination of an important social phenomenon George Yancey University of North Texas How multiracial people identify themselves can have major consequences on their positions in their families communities and society Even the U S Census has recognized the rapidly increasing numbers of those who consider

themselves multiracial adding a new racial category to the 2000 Census form two or more races New Faces in a Changing America Multiracial Identity in the 21st Century examines the multiracial experience its history and the political issues and consequences surrounding biracial and multiracial identity bringing together top names in the field to give readers cutting edge views and insights gained from contemporary research This important new text follows the trail blazed by Maria Root who contributes its opening chapter An introduction places the issues of multiracial identity into context via a discussion of U S Census data and debates providing an overview of the varied readings to come covering such topics as Race as a social rather than biological construction The Multiracial Movement Racial Ethnic Groups in America and Beyond Race Gender human service professionals including psychologists counselors social workers and school personnel and importantly multiracial individuals themselves

More Than Black G. Reginald Daniel, 2002 In the United States anyone with even a trace of African American ancestry has been considered black Even as the twenty first century opens a racial hierarchy still prevents people of color including individuals of mixed race from enjoying the same privileges as Euro Americans In this book G Reginald Daniel argues that we are at a cross roads with members of a new multiracial movement pointing the way toward equality Tracing the centuries long evolution of Eurocentrism a concept geared to protecting white racial purity and social privilege Daniel shows how race has been constructed and regulated in the United States The so called one drop rule i e hypodescent obligated individuals to identify as black or white in effect erasing mixed race individuals from the social landscape For most of our history many mixed race individuals of African American descent have attempted to acquire the socioeconomic benefits of being white by forming separate enclaves or passing By the 1990s however interracial marriages became increasingly common and multiracial individuals became increasingly political demanding institutional changes that would recognize the reality of multiple racial backgrounds and challenging white racial privilege More Than Black regards the crumbling of the old racial order as an opportunity for substantially more than an improvement in U S race relations it offers no less than a radical transformation of the nation s racial consciousness and the practice of democracy

Beyond Black Kerry Ann Rockquemore, David L. Brunzma, 2007-12-14 Beyond Black is a groundbreaking study of the dynamic meaning of racial identity for multiracial people in post Civil Rights America Kerry Ann Rockquemore and David Brunzma document the wide range of racial identities that individuals with one Black and one White parent develop and they provide a incisive sociological explanation of the choices facing those who are multiracial Stemming from the controversy of the 2000 Census and whether an additional multiracial category should be added to the survey this second edition of Beyond Black uses both survey data and interviews of multiracial young adults to explore the contemporary dynamics of racial identity formation The authors raise even larger social and political questions posed by expanding racial categorization on the U S Census

Multiracial Americans and Social Class Kathleen Odell Korgen, 2010-04-27 As the racial hierarchy shifts and inequality between Americans widens it is important to understand the impact of social class on the rapidly growing

multiracial population Multiracial Americans and Social Class is the first book on multiracial Americans to do so and fills a noticeable void in a growing market In this book noted scholars examine the impact of social class on the racial identity of multiracial Americans in highly readable essays from a range of sociological perspectives In doing so they answer the following questions Who is multiracial How does class influence racial identity How does social class status vary among multiracial populations Do you need to be middle class in order to be an honorary white What is the relationship between social class culture and race How does the influence of social class compare across multiracial backgrounds What are multiracial Americans explanations for racial inequality in the United States Multiracial Americans and Social Class is a key text for undergraduate and postgraduate students researchers and academics in the fields of sociology race and ethnic studies social stratification race relations and cultural studies

How do Black Multiracial Swedes Experience Racial Identity Formation in Sweden? Giovani Nkem Nzeafack, 2021-03-29 Bachelor Thesis from the year 2021 in the subject Sociology Individual Groups Society grade B Malm University language English abstract This thesis examines how biracial and multiracial individuals experience racial identity formation in Sweden An investigation was conducted into their childhood and upbringing to explore how these experiences shape the way that their identity is formed To arrive at the results of this dissertation six individuals who self identify themselves as Black biracial Swedes were recruited to participate in the data collection process This means that this research has used primary tools such as semi structured interviews to collect data from the participants This study has used two contemporary positive theories of biracial and multiracial identity formation which are Poston's Biracial identity model and Roots resolution for resolving otherness Within these two theoretical frameworks the research question and aim was answered through analysis of the respondents Themes that were used to analyse the interviewees responses were alienation from racial identity picking a side language as identity and familiar support and negative experiences The results finding shows that most interviewees experience a challenge in the process of identifying themselves with a specific racial group leading to a development of a gap in the process of self identification

Multiracial Identity and Racial Politics in the United States Natalie Masuoka, 2017 While pundits point to multiracial Americans as new evidence of a harmonious ethnic melting pot in reality mixed race peoples have long existed in the United States Rather than characterize multiracial Americans as a new population this book argues that instead we should view them as individuals who reflect a new culture of racial identification Today identities such as biracial or swirlies are evoked alongside those more established racial categories of white black Asian and Latino What is significant about multiracial identities is that they communicate an alternative viewpoint about race that a person's preferred self identification should be used to define a person's race Yet this definition of race is a distinct contrast to historic norms which has defined race as a category assigned to a person based on certain social rules which emphasized things like phenotype being one drop of African blood or heritage In *Multiracial Identity and Racial Politics in the United States* Natalie Masuoka

catalogues how this cultural shift from assigning race to perceiving race as a product of personal identification came about by tracing events over the course of the twentieth century Masuoka uses a variety of sources including in depth interviews public opinion surveys and census data to understand how certain individuals embrace the agency of self identification and choose to assert multiracial identities At the same time the book shows that the meaning and consequences of multiracial identification can only be understood when contrasted against those who identify as white black Asian or Latino An included case study on President Barack Obama also shows how multiracial identity narratives can be strategically used to reduce anti black bias among voters Therefore rather than looking at multiracial Americans as a harbinger of dramatic change for American race relations this Multiracial Identity and Racial Politics in the United States shows that narratives promoting multiracial identities are in direct dialogue with rather than in replacement of the longstanding racial order Publisher s description

Biracial in America Nikki Khanna, 2011-09-16 Elected in 2008 Barack Obama made history as the first African American president of the United States Though recognized as the son of a white Kansas born mother and a black Kenyan father the media and public have nonetheless pigeonholed him as black and he too self identifies as such Obama s experience as an American with black and white ancestry though compelling because of his celebrity is not unique and raises several questions about the growing number of black white biracial Americans today How are they perceived by others with regard to race How do they tend to identify And why Taking a social psychological approach Biracial in America identifies influencing factors and several underlying processes shaping multidimensional racial identities This study also investigates the ways in which biracial Americans perform race in their day to day lives One s race isn t simply something that others prescribe onto the individual but something that individuals do The strategies and motivations for performing black white and biracial identities are explored

Making Multiracials Kimberly McClain DaCosta, 2007 Making Multiracials explains how a social movement emerged around mixed race identity in the 1990s and how it made multiracial a recognizable racial category in the United States

Mixed Race Students in College Kristen A. Renn, 2004-07-15 Portrays the diverse experiences and identities of mixed race college students

The Multiracial Experience Maria P. P. Root, 1995-11-21 In her bold new edited volume The Multiracial Experience Maria P P Root challenges current theoretical and political conceptualizations of race by examining the experience of mixed race individuals Articulating questions that will form the basis for future discussions of race and identity the contributors tackle concepts such as redefining ethnicity when race is less central to the definition and how a multiracial model might dismantle our negative construction of race Researchers and practitioners in ethnic studies anthropology education law psychology nursing social work and sociology add personal insights in chapter opening vignettes while providing integral critical viewpoints Sure to stimulate thinking and discussion the contributors focus on the most contemporary racial issues including the racial classification system from the U S Census to the schools the differences between race ethnicity and colorism gender and sexuality in a multicultural context ethnic

identity and identity formation transracial adoption and the future of race relations in the United States The Multiracial Experience opens up the dialogue to rethink and redefine race and social relations in this country This volume provides discussions key to all professionals practitioners researchers and students in multicultural issues ethnic relations sociology education psychology management and public health Dr Maria P P Root's discussions are thoughtful analytical and informative Root argues that the emergence of a racially mixed population is transforming the racial character of the United States and that the increasing presence of multiracial people necessitates Americans to ask questions about their identity Canadian Review of Studies in Nationalism Finally in one volume ammunition for the informed debate about what multiculturalism means in the United States Lise Funderburg author of Black White Other Biracial

Race Policy and Multiracial Americans Kathleen Odell Korgen, 2016-01-13 Race Policy and Multiracial Americans is the first book to look at the impact of multiracial people on race policies where they lag behind the growing numbers of multiracial people in the U S and how they can be used to promote racial justice for multiracial Americans Using a critical mixed race perspective it covers such questions as Which policies aimed at combating racial discrimination should cover multiracial Americans Should all or some multiracial Americans benefit from affirmative action programmes How can we better understand the education and health needs of multiracial Americans This much needed book is essential reading for sociology political science and public policy students policy makers and anyone interested in race relations and social justice

From Black to Biracial Kathleen Korgen, 1998-02-24 Is a person with both a white and African American parent black Thirty years ago in American society the answer would have been yes Today the answer most likely depends on whom you ask According to the U S Census a person with both a black and a white parent is in fact black However most young persons who fit this description describe themselves as biracial both black and white Most young Americans whatever their racial background agree Since the Voting Rights Act of 1965 signaled the culmination of the Civil Rights Movement a transformation has occurred in the racial self definition of Americans with both an African American and a white parent This book describes the transformation and explains why it has occurred and how it has come about Through extensive research and dozens of interviews Korgen describes how the transformation has its roots in the historical and cultural transitions in U S society since the Civil Rights era A ground breaking book From Black to Biracial will help all Americans understand the societal implications of the increasingly multiracial nature of our population From affirmative action to the present controversy over the U S Census 2000 the repercussions of the transformation in racial identity related here affect all race based aspects of our society Students and faculty in sociology and multicultural studies business leaders and general readers alike will benefit from reading this work

Mixed Messages David L. Brunsma, 2006 The experiences and voices of multiracial individuals are challenging current categories of race profoundly altering the meaning of racial identity and in the process changing the cultural fabric of the nation Exploring this new reality the authors of Mixed Messages examine what we know about

multiracial identities and the implications of those identities for fundamental issues of justice and equality Multiracial Parents Miri Song, 2017-11-07 The views and experiences of multiracial people as parents The world's multiracial population is considered to be one of the fastest growing of all ethnic groups In the United States alone it is estimated that over 20% of the population will be considered mixed race by 2050 Public figures such as former President Barack Obama and Hollywood actress Ruth Negga further highlight the highly diverse backgrounds of those classified under the umbrella term of multiracial *Multiracial Parents* considers how mixed race parents identify with and draw from their cultural backgrounds in raising and socializing their children Miri Song presents a groundbreaking examination of how the meanings and practices surrounding multiracial identification are passed down through the generations A revealing portrait of how multiracial identity is and is not transmitted to children *Multiracial Parents* focuses on couples comprised of one White and one non white minority who were mostly first generation mixed situating her findings in a trans Atlantic framework By drawing on detailed narratives about the parents children and family lives this book explores what it means to be multiracial and whether multiracial identity and status will matter for multiracial people's children Many couples suggested that their very existence and their children's is a step toward breaking down boundaries about the meaning of race and that the idea of a mixed race population is increasingly becoming normalized despite existing concerns about racism and racial bias within and beyond various communities A critical perspective on contemporary multiracial families *Multiracial Parents* raises fundamental questions about the future significance of racial boundaries and identities *Multiracial Identity and Racial Politics in the United States* Natalie Masuoka, 2017-08-30 While pundits point to multiracial Americans as new evidence of a harmonious ethnic melting pot in reality mixed race peoples have long existed in the United States Rather than characterize multiracial Americans as a new population this book argues that instead we should view them as individuals who reflect a new culture of racial identification Today identities such as biracial or swirlies are evoked alongside those more established racial categories of white black Asian and Latino What is significant about multiracial identities is that they communicate an alternative viewpoint about race that a person's preferred self identification should be used to define a person's race Yet this definition of race is a distinct contrast to historic norms which has defined race as a category assigned to a person based on certain social rules which emphasized things like phenotype being one drop of African blood or heritage In *Multiracial Identity and Racial Politics in the United States* Natalie Masuoka catalogues how this cultural shift from assigning race to perceiving race as a product of personal identification came about by tracing events over the course of the twentieth century Masuoka uses a variety of sources including in depth interviews public opinion surveys and census data to understand how certain individuals embrace the agency of self identification and choose to assert multiracial identities At the same time the book shows that the meaning and consequences of multiracial identification can only be understood when contrasted against those who identify as white black Asian or Latino An included case study on President Barack Obama also shows how

multiracial identity narratives can be strategically used to reduce anti black bias among voters Therefore rather than looking at multiracial Americans as a harbinger of dramatic change for American race relations this *Multiracial Identity and Racial Politics in the United States* shows that narratives promoting multiracial identities are in direct dialogue with rather than in replacement of the longstanding racial order

Multiracial Identity Mark Christian, 2000-01 This text provides an accessible account of the social construction of racialized groups Using both primary in depth interviews and secondary data Four nations are examined the UK US South Africa and Jamaica The author maintains how little attention has traditionally been given to theorizing multiracial identity in the context of white supremacist thought and practice This concise wide ranging contentious and well referenced study provides students of identity politics and miscegenation with an insightful read The book also contains a glossary

Multiracial Identity in Children's Literature Amina Chaudhri, 2017-02-10 Racially mixed children make up the fastest growing youth demographic in the U S and teachers of diverse populations need to be mindful in selecting literature that their students can identify with This volume explores how books for elementary school students depict and reflect multiracial experiences through text and images Chaudhri examines contemporary children s literature to demonstrate the role these books play in perpetuating and resisting stereotypes and the ways in which they might influence their readers Through critical analysis of contemporary children s fiction Chaudhri highlights the connections between context literature and personal experience to deepen our understanding of how children s books treat multiracial identity

Multiracial Identity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Multiracial Identity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Multiracial Identity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Multiracial Identity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Multiracial Identity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Multiracial Identity is one of the best book in our library for free trial. We provide copy of Multiracial Identity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Multiracial Identity. Where to download Multiracial Identity online for free? Are you looking for Multiracial Identity PDF? This is definitely going to save you time and cash in something you should think about.
