Murder In Ordinary Time:

Murder in Ordinary Time Carol Anne O'Marie, 2007-04-01 Just one bite of that irresistible Christmas cookie and Christina Kelly Channel 5's leading investigative reporter was on the air dead The odor of bitter almond told Sister May Helen the cause of the death cyanide Somewhere in the studio was the wily killer it was a person everyone knew Had Christina's investigations led her to her dead end Or was the fatal cookie meant for someone else the notorious womanizer the hard drinking floor manager with something to hide or perhaps Wicked Wendy who certainly fit her nickname Or was the intended victim the intrepid nun herself Heaven help her as Sister Mary Helen charges in where angels fear to tread to trap a killer before he strikes again

The Roman Catholic Lectionary and the Bible Mark G. Boyer, 2024-06-28 The bishops attending the Second Vatican Council 1962-1965 decreed that the treasures of the Bible were to be opened for Roman Catholics by presenting a larger part of the Bible over three years The first one volume Lectionary a collection of biblical texts appointed for worship on given days what ultimately became four volumes plus a supplement in English was published in Latin on September 30 1970 The result of people seeing four volumes consisting of more pages than most Bibles was the erroneous thinking that they heard read the whole Bible every three years The Lectionary edits the Bible Biblical topics offensive to modern readers are omitted Powerful biblical women are ignored Biblical prophetic books are chopped by piecing together verses There is no application of modern biblical analysis The biblical passages presented in the Lectionary have been chosen to fit the liturgical year even though the liturgical year did not exist when the Bible was written The purpose of this book is to present some sobering statistics about the biblical texts found and not found in the Roman Catholic Lectionary reach conclusions about them and suggest alternate biblical texts for use in the Lectionary
