**Murder at La Marimba** Carson Wolfe, 1985-01-01 *Murder at La Marimba* Carson Wolfe, 1984-01-01 Lawyer Carlito Rivera teams up with the no nonsense mother of his client's girlfriend to clear street smart Ricky Betancourt accused of murdering a Dominican rival at the local disco La Marimba

**Justice Denoted** Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence. Primarily a bibliography of novels, it also annotates plays, scripts for film and television novelizations, and short story collections about lawyers and the law. The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction. Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important. It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists. Its biographical and scholarly information about authors, major and minor, and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller. Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama, showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason. The criterion of *Justice Denoted* moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers' *Anatomy of a Murder* as well as the romantic potboiler. Among the more than 2,000 works are the Perry Mason novels of Erle Stanley Gardner, John Mortimer's Rumpole series, along with a staple of fiction by major authors of the genre like John Lescroart, Lisa Scottoline, Margaret Maron, Scott Turow, and John Grisham. There are also individual works by Shakespeare, Goethe, Kafka, Camus, and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *le te noire* of the common individual caught up in its maw. The appendices include comments by lawyer novelist Michael A. Kahn, a historical introduction to the legal thriller, craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires, bibliography of critical sources and articles, series characters, and the legal terminology found in courtroom dramas and novels. An essential reference tool for scholars, researchers, as well as the occasional reader of legal thrillers.

**The Mexican Filmography, 1916 through 2001** David E. Wilt, 2024-10-17 Mexican cinema has largely been overlooked by international film scholars because of a lack of English language information and the fact that Spanish language information was difficult to find and often out of date. This comprehensive filmography helps fill the need. Arranged by year of release and then by title, the filmography contains entries that include basic information, film and translated title, production company, genre, director, cast, a plot summary, and additional information about the film. Inclusion criteria: a film must be a Mexican production or co-production, feature length, one hour or more, silent films excepted. Fictional documentaries and compilation films are not included unless the topic relates to Mexican cinema. Some docudramas and films with recreated or staged scenes are included and theatrically released or
