very man who had taken everything from her the man who had made her a princess Together they discovered that she was the first woman in three centuries to possess the magic of the pipers and therefore the only person capable of breaking the ancient curse But breaking the curse means unraveling the very past the curse is intent on keeping secret The answer lies buried in the crypts of the Black Druids men who consider Larkin a traitor they ll kill on sight Embedded in the intrigues of their court she unearths a dark conspiracy destined to hasten the destructive power of the curse a conspiracy aimed at destroying her piper prince
