Murder In Boston:

Murder in Boston Ken Englade,2014-12-09 A shocking true story of crime punishment and injustice in a major American city Charles Stuart claimed it was a black man who carjacked him shooting both himself and his wife ending both her life and the life of their unborn child The accusation and subsequent manhunt enflamed the long simmering racial tensions of Boston leading to the arrest of an innocent man It was then discovered that Stuart had killed his wife and shot himself to cover up the crime seeking a big insurance payout When his crimes were exposed Stuart jumped off a bridge to his death Ken Englade explores the story with panoramic vision and a stunning eye for detail Looking at the crime itself and the police response Englade shows how Stuart s crime unraveled how the truth came out and what the media s response can tell us about the biases through which we view the worst of crimes

Murder & Mayhem in Boston: Historic Crimes in the Hub

Christopher Daley,2015-09-21 Boston s history is checkered with violence and heinous crimes In 1845 a woman lured into prostitution was murdered at the hands of her jealous lover who used sleepwalking as his defense at trial A leg was found floating along the Boston Harbor wrapped in a burlap bag that would later be connected to a woman who was brutally murdered and dismembered by her handyman In the 1970s a string of seemingly unconnected murders led to a killer who became known as the Giggler Christopher Daley explores the tragic events that turned peaceful Boston neighborhoods into disturbing crime scenes

Murder in Boston Ken Englade,1990 Recounts the story of Charles Stuart who murdered his pregnant wife and attempted to blame the crime on an unknown Black assailant a story the community was too willing to believe

Deadly greed Joe Sharkey,1991-05-01 Recounts the Stuart murder case in which Charles Stuart claimed that his pregnant wife had been shot by a Black man in racially torn Boston but Stuart himself later became the prime suspect

Murder at Breakheart Hill Farm: The Shocking 1900 Case that Gripped Boston's North Shore Douglas L. Heath and Alison C. Simcox,2020 On a dark rainy night in October 1900 George E Bailey caretaker of Breakheart Hill farm disappeared Some suspected foul play right away as Bailey s wife had recently gone to Maine leaving Bailey alone with his farmhand John C Best who was known to be a drunk and a potentially violent man Nine days later when Bailey s dismembered body was fished out of a local pond all eyes quickly focused on Best Crowds descended on the farm and the sensational murder captured headlines in Boston s newspapers Back cover

Deadly Greed Joe Sharkey,2017-01-17 The true crime story of a Boston man who murdered his pregnant wife and pinned the crime on a black man the case behind HBO s *Murder in Boston* On October 23 1989 affluent businessman Charles Stuart made a frantic 911 call from his car to report that he and his seven months pregnant wife Carol a lawyer had been robbed and shot by a black male in the Mission Hill neighborhood of Boston By the time police arrived Carol was dead and the baby was soon lost as well The attack incited a furor during a time of heightened racial tension in the community Even more appalling while the injuries were real Stuart s story was a hoax He was the true killer But the tragedy would continue with the arrest of Willie Bennett a young man Stuart identified in a line up

Stuart's deception would only be exposed after a shocking revelation from his brother and finally his suicide when he jumped into the freezing waters of the Mystic River. As the story unraveled, police would put together the disturbing pieces of a puzzle that included Stuart's distress over his wife's pregnancy, his romantic interest in a coworker, and life insurance fraud. In an account that builds and grips like a novel, Kirkus Reviews New York Times journalist Joe Sharkey delivers a picture of a man consumed by naked ambition, unwilling to let anyone or anything get in his way. Library Journal Revised and updated, this ebook also includes photos and a new epilogue by the author. **A Rose for Mary** Casey Sherman, 2003. An analysis of the Boston Strangler case also offers an insider perspective on the murder of final victim Mary Sullivan as told by her nephew and discusses how the chief suspect had no physical evidence linking him to the crimes and was killed before he was charged.

No. 46 on the Greater Boston Hit List Richard Murphy, 2018-05-30. This novel is a quick read that tells about a murder which was first thought to be a gangland slaying but it became more complicated, leading to a trial that produced unexpected results. **The Combat Zone** Jan Brogan, 2021-09-24. The story of a Harvard student's murder in 1970s Boston amid racial strife and rampant corruption told with careful reporting and historical context. Providence Journal. Shortlisted for the 2021 Agatha Award for Best Non Fiction and the 2022 Anthony Award for Best Critical or Nonfiction Work. At the end of the 1976 football season, more than forty Harvard athletes went to Boston's Combat Zone to celebrate. In the city's adult entertainment district, drugs and prostitution ran rampant; violent crime was commonplace and corrupt police turned the other way. At the end of the night, Italian American star athlete Andy Puopolo, raised in the city's North End, was murdered in a stabbing. Three African American men were accused of the crime. The murder made national news and led to the eventual demise of the city's red light district. Starting with this brutal murder, *The Combat Zone* tells the story of the Puopolo family's struggle with both a devastating loss and a criminal justice system that produced two trials with opposing verdicts all within the context of a racially divided Boston. Brogan traces the contentious relationship between Boston's segregated neighborhoods during the busing crisis, shines a light on a court system that allowed lawyers to strike potential jurors based purely on their racial or ethnic identity, and lays bare the deep seated corruption within the police department and throughout the Combat Zone. What emerges is a fascinating snapshot of the city at a transitional moment in its recent past. The grim history of racism in Boston, the crime and corruption of the Combat Zone and the legal permutations of the case take up the bulk of the book. But its heart lies in a character who wasn't even in the Combat Zone that fateful night: the victim's brother, Danny Puopolo.

Providence Journal. Includes photographs. **The Paradiso Files** Timothy M. Burke, 2008-04-15. The story transcends Boston with an insider's view of the criminal justice system. The Boston Globe. A captivating work of true crime investigative journalism that makes a powerful case against a previously unexposed Boston serial killer. In this bold and suspenseful true crime story, former homicide prosecutor Timothy M. Burke makes his case against one Leonard Paradiso, Lenny. The Quahog was convicted of assaulting one young woman and paroled after three years, but Burke believes that he was guilty of much

more that Paradiso was a serial killer who operated in the Boston area and maybe farther afield for nearly fifteen years assaulting countless young women and responsible for the deaths of as many as seven Burke takes the reader inside the minds of prosecutors police investigators and one very dangerous man who thought he had figured out how to rape and murder and get away with it The Paradiso Files generated headlines when first published in February 2008 Nine days later Paradiso died at the age of sixty five without commenting on any of Burke's accusations including that he murdered Joan Webster a Harvard graduate student who disappeared from Logan Airport in 1981 Boston area prosecutors announced in September 2008 that Burke's revelations had led them to reopen the unsolved murder cases of three young women Melodie Stankiewicz Holly Davidson and Kathy Williams There were too many similarities between the individual cases to ignore a prosecutor involved in the new investigation said Burke's account leaves little doubt that Paradiso's deeds should go down in infamy alongside those of the Boston Strangler *A College Affair* William J Farrell,2013-10-23 *A College Affair* deals with a murder that occurs at Savan College in Boston Massachusetts *Murder & Mayhem in MetroWest Boston* James L. Parr, Kevin A. Swope, 2021-05-24 MetroWest is known for its rolling farmland winding rivers and quaint white churches facing green town commons But looks can be deceiving Tales from these small towns captured headlines and shocked readers across the state with lurid details of betrayal cruelty greed and murder Nina Danforth spurred on by love and jealousy made a midnight call to the home of Andrew Emery in Framingham seeking revenge The murder of spinster Mabel Page in Weston sent a man to the electric chair and forty years before Lizzie Borden the grisly axe murder of a husband and wife sent shock waves through the terrified town of Natick Authors James L Parr and Kevin A Swope reveal the stories behind these crimes and the motives of the desperate criminals who perpetrated them *Beanned in Boston* Gail E.
