Muhammad In The Modern Egyptian Popular Ballad:

Muhammad in the Modern Egyptian Popular Ballad Kamal Abdel-Malek, 2023-12-14 This volume is a fascinating interpretative study of the life of the Prophet Muhammad as depicted in the repertoire of fifty one contemporary Egyptian singers The repertoire is extremely diverse and ranges from narrative ballads classical odes and Qur'anic chantings to melodies of the secular songs of well known Egyptian singers The people's Muhammad appears as both a commanding figure empowered by the supernatural and a touchingly vulnerable human being and provides this study with excellent material for its discussion of a subject that has not received much serious scholarly attention to date **Arabic Literature in the**

Post-Classical Period Roger Allen, D. S. Richards, 2006-04-13 The final volume of The Cambridge History of Arabic Literature explores the Arabic literary heritage of the little known period from the twelfth to the beginning of the nineteenth century Even though it was during this time that the famous Thousand and One Nights was composed very little has been written on the literature of the period generally In this volume Roger Allen and Donald Richards bring together some of the most distinguished scholars in the field to rectify the situation The volume is divided into parts with the traditions of poetry and prose covered separately within both their elite and popular contexts The last two sections are devoted to drama and the indigenous tradition of literary criticism As the only work of its kind in English covering the post classical period this book promises to be a unique resource for students and scholars of Arabic literature for many years to come **Muhammad: A**

Very Short Introduction Jonathan A.C. Brown, 2011-03-24 Drawing on traditional Muslim sources Michael Cook describes Muhammad's life and teaching He also attempts to stand back from this traditional picture to show how far it is historically justified *The A to Z of Prophets in Islam and Judaism* Scott B. Noegel, Brannon M. Wheeler, 2010-04-01 Both traditions recognize and draw theological and historical lessons from some of the same narrative sources but this is the first comparative resource to provide interdisciplinary coverage of the history and textual sources associated with prophets and prophecy This thorough treatment of a difficult and increasingly controversial subject area will encourage and cultivate knowledge and understanding Entries are drawn from five main fields 1 Ancient Near Eastern Studies 2 Bible and Biblical Studies 3 Judaism and Jewish Studies 4 The Quran and Quranic Studies 5 Islam and Islamic Studies The A to Z of Prophets in Islam and Judaism treat each entry as a compilation of relevant data culled from these different traditions in order to take the reader beyond the expected parameters of research Originally envisioned as an initial resource for students of comparative religion the extensive chronology bibliography and the overall accessibility of the passages make the book suitable for a much wider audience **The Story of a Desert Knight** P. M. Kurpershoek, 1995 This volume presents in translation and transcription the oral text of narratives about and poems by Salwāh one of Arabia's most famous nineteenth century robber barons recorded by Khalid a sheikh of the Utaybah tribe of Saudi Arabia and the great grandson of Salwāh
