Klausner, 2013 FBI Assistant Director Mark Goldman a former NYCPD detective had only to sign his letter of resignation when two unlikely events change the course of his actions. The murder of a postman and a car fire near the Washington Mall become the first pieces of a deadly international conundrum for Goldman the impetus he desperately needs to get back on the streets Years earlier Mark accepted a promotion to his current lofty position an award for thwarting a devastating terrorist attack on the homeland His title suggests he is the liaison between U S and foreign security forces however none of his proposals are executed The Jewish prodigy is caught in a dead end job until now Goldman ignores his jurisdiction to search for the lone wolf whose mission is to destroy the very foundation of the U S government the order of succession to the presidency The hunt draws in Avi Levy the director of Israel's Mossad as well as Mark's mentor Jack Warner a retired FBI director The case also reunites Goldman with the love of his life Ruth Sachs a distinguished Mossad agent The tale courses from the streets of Paris to the Zuiderzee and finally to the U S where the lone wolf blends into the anonymity offered by the sheer vastness of the land Will the al Qaeda financed lone wolf remain a step ahead of his pursuers or will the reunited team of Goldman and Sachs eliminate the threat America's fate hangs in the balance The Secret Service was so intrigued with this story that it requested an interview with the author The idea of a lone wolf eradicating the nation's entire political structure in a single blow was unthinkable Possibly because of that interview four similar plots against our homeland were thwarted All too often a fine line separates fact from fiction **Anthropology News**, 2000 L'Homme, 2002 **Global Rhythm**, 2003 REIGN OF THE MAINFRAME.
