## Multiple Cat:

**Multiple-Cat Households** Carolyn M. Vella, John J. McGonagle, 2001 For many cat loving families there's always room for one more furry friend in the house. In fact, more than 50 percent of households that own cats have more than one. But how many is too many? How should a cat owner introduce a newcomer to the other cats? What can be done about cat fights and kitty cliques? Multiple Cat households answers all of these questions. This book also discusses other topics that are vital to the multiple cat household, including finding the perfect vet, record keeping and preparing for emergencies, saving money by stocking up on cat supplies, choosing a cat sitter and more.

**The Multiple-cat Family** Sheila Webster Boneham, 2008 Over 17 million households in the US own more than one cat. This expert guide advises how to plan for setup and maintain a harmonious home environment for you and your cats while meeting their special nutrition, housing and daily care needs. T.F.H. has teamed up with Animal Planet™, the only television network devoted to the unique bonds between humans and animals, to present an exciting new series of family friendly, comprehensive guides to superior pet care. Each book features newly written text from animal experts on a variety of topics including feeding, housing, grooming, training, health care and fun activities. Useful tip boxes in each chapter show every member of the household how to make the most out of owning a pet.
