Mummy Mine

American Museum of Natural History

Mummy Mine:

Mummy Mine Tim Warnes, 2006 A picture book for parents children to share all about the love between a mummy child Mummies come in all shapes sizes tiny chubby spiny grubby Mummies make all different kinds of noises chomp chatter stomp pitter patter But for every child the best mum in the whole world is mummy mine The Mummy's Curse Jasmine Day, 2006-09-27 The most penetrating study of the curse ever conducted The Mummy's Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children's toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse's structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun's tomb The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend **Egyptomania** Bob Brier, 2013-11-12 A delightful romp through key formative events that shaped our popular passion for all things ancient Egyptian Peter Der Manuelian Professor of Egyptology Harvard University When the Romans conquered Egypt it was really Egypt that conquered the Romans Cleopatra captivated both Caesar and Marc Antony and soon Roman ladies were worshipping Isis and wearing vials of Nile water around their necks In this book renowned Egyptologist Bob Brier explores our three thousand year old fascination with all things Egyptian from ancient times to Napoleon's Egypt Campaign the discovery of Tutankhamen's tomb and beyond In this original and groundbreaking book Brier traces our fascination with mummies that seem to have cheated death and the iconic pyramids that have stood strong for millennia He also includes twenty four pages of color photos from his impressive collection of Egyptian memorabilia which includes everything from Napoleon's twenty volume Egypt encyclopedia to archeologist Howard Carter's letters written as he was excavating the Valley of the Kings Mrs. Tregaskiss Mrs. Campbell Praed, 1897 **Understanding Children with Language Problems** Shula Chiat, 2000-05-04 Introduction to the study of children's language difficulties drawing widely on real life examples **Consuming Ancient Egypt** Sally MacDonald, Michael Rice, 2016-06-16 Consuming Ancient Egypt examines the influence of Ancient Egypt on the everyday lives of contemporary people of all ages throughout the world It looks at the Egypt tourist sees Egypt in film and Egypt as the inspiration for opera It asks why so many books are published each year on Egyptological subjects at all levels from the austere academic to the riotous celebrations of Egypt as a land of mystery enchantment and fantasy It then considers the ways in which Ancient Egypt interacts with the living world in architecture museum going the acquisition of souvenirs and reproductions design and the perpetual appeal of the mummy The significance of Egypt as an adjunct to and frequently the subject of marketing in the consumer society is examined It reveals much about Egypt's

immemorial appeal and the psychology of those who succumb to its magic **Running Up a Dress** Suzanne Spinner,1988
George Malcolm Gabriel Setoun,1897 **The Saturday Evening Post** ,1919 Catalog of Copyright Entries ,1919
