Munby* Derek Hudson,1974 Worlds Between Leonore Davidoff,1995 *Worlds Between* presents a series of pioneering essays by Leonore Davidoff which together constitute nothing less than an urgent reappraisal of our understanding of the relationship between gender and history Among the topics discussed are the positions of servants and wives in Victorian and Edwardian England the relationship between home and community in English society the changing structure of housework the role of family relationships and the reflections on the role of the concepts of the public and the private developed through the work of feminist historians For over two decades Davidoff has been at the forefront of the reexamination of femininity and masculinity in history This volume which brings together her most important writings over this period as well as several unpublished essays will provide a necessary and important addition to the existing literature Sex and Class in Women's History Judith L. Newton,Mary P. Ryan,Judith R. Walkowitz,2013-01-03 The essays collected in this volume reflect the upsurge of interest in the research and writing of feminist history in the 1970s 80s and illustrate the developments which have taken place in the types of questions asked the methodologies employed and the scope and sophistication of the analytical approaches which have been adopted Focusing on women in nineteenth century Britain and America this book includes work by scholars in both countries and takes its place in a long history of Anglo American debate The collection adopts the doubled vision of feminist theory the view that it is the simultaneous operation of relations of class and of sex gender that perpetuate both patriarchy and capitalism This view informs a wide variety of contributions from Class and Gender in Victorian England to Servants Sexual Relations and the Risks of Illegitimacy Free Black Women The Power of Women s Networks and Socialism Feminism and Sexual Antagonism in the London Tailoring Trade Both the vigour and the urgency of scholarship infused with social aims can be clearly felt in the essays collected here A Lover's Pinch Peter Tupper,2018-08-10 A worldwide subculture that influences everything from fashion to advertising sadomasochism has a long and lively history A Lover s Pinch tells the story of consensual sadomasochism from a controversial religious practice to a secretive sexuality branded a perversion The origins of kink and fetish culture have been shrouded in secrecy and myths until now Here Peter Tupper reveals the true story of sadism and masochism dominance and submission From the ancient Christian flagellants to the Fifty Shades trilogy the history of consensual sadomasochism is a story of fascinating individuals unlikely connections and strange twists and turns Meet Arthur Munby the Victorian gentleman who secretly married Hannah Cullwick his maid of all work and called her his slave and Jack McGeorge the UN weapons inspector who was outed as a BDSM club leader just before the Iraq war Explore the links between Robinson Crusoe Uncle Tom s Cabin and modern BDSM pornography and between fetish fashion and anti Catholic propaganda Learn how the 19th century middle class household nurtured dominant submissive sexuality Discover
