Publishers Weekly *Southern Sass and a Battered Bride* Kate Young, 2021-04-27 At a murder-mystery-themed wedding reception on Georgia's picturesque Peach Cove Island, the bride is doing an awfully good job playing dead. Marygene Brown always figured she'd marry her childhood sweetheart, Alex Myers, not cater his wedding. But the Peach Diner could use the exposure. Most of the island is showing up, although more for the role-playing murder game at the reception than for the widely loathed bridezilla, Lucy Carmichael. Marygene may have to smile through the festivities, but Mama doesn't have to hold her peace, especially since only Marygene can hear her mother's ghost. Mama says she sees an aura of darkness around the wedding. So when Marygene finds Lucy lying beside the wedding cake, buried in batter with no pulse, it looks like Mama called it. This is no game. And when the bride's body simply vanishes, it's up to Marygene and her best friend, Betsy, cousin to the groom and no fan of the bride, to solve a real-life mystery with a little help from Mama's sassy spirit.

Includes Seven Recipes from Marygene's Kitchen ***Mother of the Bride*** Patricia T. Westfall, 1998-05-15 While arranging a wedding for her daughter, PI Molly West of Ohio investigates the appearance of a skeleton. Enchanted Maidens James M. Taggart, 2021-03-09 Spanish villagers tell many folktales that describe in metaphorical language the struggles of young men and women as they emerge from their parental families and join in love. In this book, James Taggart presents dozens of orally transmitted tales, including *Snow White*, *Cinderella*, *Beauty and the Beast*, *Blancaflor*, and *dragonslayer* stories collected from seven villages in the region of CNBceres and analyzes the differences in male and female approaches to telling them. His study shows how men and women use the tales to grapple with some of the contradictions found in gender relations in their culture, which conditions men to be sexually assertive and to marry virgins and which teaches women to fear the men who court them. Taggart interprets the male-female dialogue voiced through storytelling by linking the content of specific tales to the life experiences and gender of the storyteller. Men and women, he finds, carry out an exchange of ideas by retelling the same stories and altering the plots and characters to express their respective views of courtship. This indirect narrative dialogue conveys an understanding of the opposite sex and establishes a common model of marriage that permits men and women to overcome their fear of each other and bond in heterosexual love.
