A Researcher's Guide to Sources on Soviet Social History in the 1930s Sheila Fitzpatrick,Lynne Viola,2016-07-22 The Stalin era has been less accessible to researchers than either the preceding decade or the postwar era The basic problem is that during the Stalin years censorship restricted the collection and dissemination of information and introduced bias and distortion into the statistics that were published while in the post Stalin years access to archives and libraries remained tightly controlled Thus it is not surprising that one of the main manifestations of glasnost has been the effort to open up records of the 1930s In this volume Western and Soviet specialists detail the untapped potential of sources on this period of Soviet social history and also the hidden traps that abound The full range of sources is covered from memoirs to official documents from city directories to computerized data bases **American Mystery and Detective Writers** George Parker Anderson,2005 Essays on authors whose lives span the twentieth century and serve as examples in the complex evolution of an immensely popular genre that has been greatly affected by market forces Their careers and works reveal changing perspectives on crime and punishment in American society and culture [Great Women Mystery Writers](#) Kathleen Gregory Klein,1994 A dictionary of over 117 women mystery authors giving details on their lives and their writing habits **A Catalogue of Crime** Jacques Barzun,Wendell Hertig Taylor,1971 This work includes over 5 000 mystery titles briefly noted each in about one paragraph Alphabetically arranged by author and title each entry has a short comment offering a description of the work From online review
