FRANCIS RICHARDS

Murder For Arts Sake

**Frank Moore Colby, Allen Leon
Churchill, Herbert Treadwell
Wade, Frank H. Vizetelly**

Murder For Arts Sake:

Murder for Art's Sake Francis Richards, 1968 **Murder for Art's Sake** Francis RICHARDS (pseud.), 1968 **Murder for Art's Sake** Richard Lockridge, 2018-06-26 The apparent suicide of an artist looks sketchy to NYC detective Nathan Shapiro in this mystery by the coauthor of the excellent Mr and Mrs North series The New Yorker Nathan Shapiro might be the gloomiest member of Manhattan's finest but that doesn't stop the dour detective from getting the job done when the going gets tough Painter Shackleford Jones died of a bullet to the head behind the ear to be exact The homicide captain brushes it off as suicide but the medical examiner draws a different conclusion The angle's all wrong Now it's up to Det Lt Nathan Shapiro to get some perspective on who might have wanted to take the up and coming artist out of the picture In the high stakes world of expensive avant garde art Shapiro feels out of his depth But with Det Anthony Cook at his side he interviews those closest to Jones and soon both detectives start to believe the incident in the artist's Greenwich Village studio was murder after all Someone wanted Shackleford dead Maybe it was for the money or maybe an even more sinister reason Whatever the case Shapiro will follow the clues until he can paint the killer into a corner **Murder for Art's Sake** is the 4th book in the Nathan Shapiro Mysteries but you may enjoy reading the series in any order **Murder for Art's Sake** Richard Lockridge, 1967 *The Detective and the Artist* J.K. Van Dover, 2019-02-11 This book focuses on the distinctive role that artists have played in detective fiction as detectives as villains and victims and as bystanders With a few significant exceptions literary detectives have always identified themselves as essentially the deconstructors of the artful crimes of others They may use various methods ratiocinative scientific or hard boiled but they always unravel the threads that the villains have woven into deceptive covers for their crimes The detective does in the end produce a work of art a narrative that explains everything that needs explanation But the detective's moral work is often juxtaposed to the aesthetic work of the painters poets and writers that the detective encounters during an investigation The author surveys this juxtaposition in works by important authors from the early development of the genre Poe Conan Doyle the golden age Bentley Christie Sayers James et al and the hard boiled era Hammett Chandler Macdonald Spicer et al De Quincey's Gothic Masquerade Patrick Bridgwater, 2004 De Quincey's Gothic Masquerade is what has long been needed a study of Thomas De Quincey's Gothic and Gothic related texts by a Germanist working on Gothic and specializing in Anglo German literary relations Variouslly identified as Gothic Hero Gothic Parasite and author of a Gothick sport De Quincey is the dark horse of Gothicism for while his work has increasingly been associated with Gothic not one of the recent companions to Gothic so much as mentions his name Definitions of what is meant by Gothic have changed of course and are still evolving claiming more territory all the time but Gothic specialists also have their blind spots of whom De Quincey is one One reason for this state of affairs will be the fact that in his work the Gothic is interwoven with the German to which modern English studies all too often turn a blind eye In this timely study of his work in relation to Gothic convention the author addresses the question of De Quincey's

reputed knowledge of German Gothic Romantic literature and the related question of supposed German influences on his Gothic work and shows that his fiction is not less but more original than has been thought The texts examined are those on which for better or worse his reputation as a writer both of autobiography and of fiction depends Focusing on the Gothic takes one to the heart of his literary masquerade and more especially to the heart of his masked autobiographical enterprise Gothic because of its formulaic nature represents a place where he belongs a place where his sense of guilt can be seen as part of a wider pattern thus countering his pariah self image and enabling him to make some sort of sense of the Gothic ruin of his life Addressed to all who are interested in De Quincey s work and its place in literary history and to the many readers in the English and German speaking worlds who share De Quincey s and the author s enthusiasm for Gothic this book adds considerably to the scope of De Quincey studies which it enables to move on from some of the main unanswered questions of the past

Beyond Romanticism Stephen Copley, John Whale, 2016-04-14 First published in 1992 Beyond Romanticism represents a substantial challenge to traditional views of the Romantic period and provides a sustained critique of Romantic ideology The debates with which it engages had previously been under represented in the study of Romanticism where the claims of history had never had quite the same status as they have had in other periods and where confidence in poetic literary value remains high Individual essays examine the philosophical underpinnings of Romantic discourse they survey analogous and competing discourses of the period such as mesmerism Hellenism orientalism and nationalism and analyse both the manifestations of Romanticism in particular historical and textual moments and the texts and modes of writing which have been historically marginalized or silenced by the Romantic This title will be of interest to students of literature

Art for Art's Sake Albert Léon Guérard, 1963 Meditations on the nature of art and the shifting relation of the artist to society **The Builder** ,1879 **The New International Year Book** ,1930 *Serial Killers* Mark Seltzer, 1998 First
