New Years Wife:

The Last Chapter Guila Garakani, Sara Phillips, 2022-07-01 Youssef Vaqar's eldest son died in the same house he was born in the very house that became his after his father's murder. No one looked into his father's murder and no one looked into Youssef's death either which was perhaps for the best. The saga of Vaqar and his son had drawn to a close with the second murder. The saga was quite familiar to the family elders but they wouldn't recount it to their children; they wouldn't even talk about it with each other. It was a secret, a secret that had been hushed up to protect the family's good name. But discovery of the wedding invitation cards and those letters had confused everyone. No one could believe that Youssef had kept the invites for a wedding that had never taken place or the letters from a young girl now long forgotten. That young girl was Rana who now many years later is struggling with dementia while she tries with all her might to hold on to the memory of Youssef, the love of her life. A love that was doomed since the beginning yet it is the only thing that helps Rana keep going. The elders are gone now and Rana is the only one who can tell the story and the only remaining keeper of that long lost world of love, loss and family secrets.

Everybody's Pepys Samuel Pepys, 1926 Samuel Pepys FRS MP JP pronounced pi ps 1 23 February 1633 26 May 1703 was an English naval administrator and Member of Parliament who is now most famous for the diary he kept for a decade while still a relatively young man. Although Pepys had no maritime experience he rose by patronage, hard work and his talent for administration to be the Chief Secretary to the Admiralty under both King Charles II and subsequently King James II. His

influence and reforms at the Admiralty were important in the early professionalisation of the Royal Navy 2 The detailed private diary Pepys kept from 1660 until 1669 was first published in the 19th century and is one of the most important primary sources for the English Restoration period It provides a combination of personal revelation and eyewitness accounts of great events such as the Great Plague of London the Second Dutch War and the Great Fire of London Wikipedia
