New York In The Sixties:

Making Peace with the 60s David Burner, 2021-07-13 David Burner's panoramic history of the 1960s conveys the ferocity of debate and the testing of visionary hopes that still require us to make sense of the decade. He begins with the civil rights and black power movements and then turns to nuanced descriptions of Kennedy and the Cold War, the counterculture and its antecedents in the Beat Generation, the student rebellion, the poverty wars, and the liberals' war in Vietnam. As he considers each topic, Burner advances a provocative argument about how liberalism self-destructed in the 1960s. In his view, the civil rights movement took a wrong turn as it gradually came to emphasize the identity politics of race and ethnicity at the expense of the vastly more important politics of class and distribution of wealth. The expansion of the Vietnam War did force radicals to confront the most terrible mistake of American liberalism, but that they also turned against the social goals of the New Deal was destructive to all concerned. Liberals seemed to rule in politics and in the media, Burner points out, yet they failed to make adequate use of their power to advance the purposes that both liberalism and the left endorsed. And forces for social amelioration splintered into pairs of enemies such as integrationists and black separatists, the social left and mainline liberalism, and advocates of peace and supporters of a totalitarian Hanoi. Making Peace with the 60s will fascinate baby boomers and their elders who either joined, denounced, or tried to ignore the counterculture. It will also inform a broad audience of younger people about the famous political and literary figures of the time, the salient moments, and above all, the powerful ideas that spawned events from the civil rights era to the Vietnam War. Finally, it will help to explain why Americans failed to make full use of the energies unleashed by one of the most remarkable decades of our history. **The 1960s**

Cultural Revolution John C. McWilliams, 2020-12-02 The 1960s Cultural Revolution is a highly readable and valuable resource revisiting personalities and events that sparked the cultural revolutions that have become synonymous with the 1960s. The 1960s Cultural Revolution: A Reference Guide is an engagingly written book that considers the forces that shaped the 1960s and made it the unique era that it was. An introductory historical overview provides context and puts the decade in perspective. With a focus on social and cultural history, subsequent chapters focus on the New Left, the antiwar movement, the counterculture, and 1968, a year that stands alone in American history. The book also includes a wealth of reference material: a comprehensive timeline of events, biographical profiles of key players, primary documents that enhance the significance of the social, political, and cultural climate, a glossary of key terms, and a carefully selected, annotated bibliography of print and nonprint sources for further study. America in White, Black, and Gray Klaus P. Fischer, 2007-05-30 From the reviews of Nazi Germany: The best one-volume history of the Third Reich available. It fills a void which has existed for a long time, and it will probably become the basic text for generations of students. Walter Laqueur: An indispensable, compellingly readable political, military, and social history of the Third Reich. Publishers Weekly: From the reviews of History of an Obsession: This is truly a significant work. Fischer gives a balanced account of a complex subject, making it painfully clear just how Germany

became capable of genocide Booklist Fischer writes with a clear mastery of both primary and secondary sources Synthesizing a wide spectrum of literature into a fine scholarly work Library Journal No decade since the end of World War II has been as seminal in its historical significance as the 1960s That stormy period unleashed a host of pent up social and generational conflicts that had not been experienced since the Civil War intense racial and ethnic strife cold war terror the Vietnam War counter cultural protests controversial social engineering and political rancor Numerous studies on various aspects of these issues have been written over the past 35 years but few have so successfully integrated the many sided components into a coherent synthetic and reliable book that combines good storytelling with sound scholarly analysis The main materials covered will be the Kennedy and Johnson presidencies the Civil Rights movement the Vietnam War and the protest it generated the New Left student radicals and Black student militancy and finally the counter cultural side of the 60s hippies sex and Rock n Roll

A View from the Sixties Sam Hunter,1991 New York in the Sixties George Perry,2001 With the passing of the 20th century into history the 1960s will be viewed as one of its most crucial decades an era of unprecedented social and cultural revolution Across the world barriers collapsed new freedoms were claimed and an explosion of creative energy electrified the arts fashion politics and lifestyles not always without accompanying turmoil This stylishly produced series of books looks at the arts fashions passions people and events in pivotal cities London New York Paris and San Francisco through some of the defining images of the decade Featuring the work of the era s leading photographers these books offer both insights and surprises

State of New York Supreme Court, *L.A. Pop in the Sixties* Anne Ayres,Newport Harbor Art Museum,1989 *The Sixties* Lesley Jackson,1998 Lesley Jackson traces the transition from the contemporary design of the 1950s to the pure geometry of the look and the styles that proliferated throughout the momentous events of the 1960s

America in the Sixties--Right, Left, and Center Peter B. Levy,1998-12-30 This study looks at America in the 60s from the perspective of the new leftists liberals and conservatives The author addresses the civil rights movement Vietnam and the women s movement as well as some of the more memorable events

The Sixties, 1960-1969 Paul Monaco,2001 The Sixties in America: School desegregation-Zappa, Frank Carl Singleton,Rowena Wildin,1999 Contains alphabetically arranged entries that survey the events and people of the 1960s discussing their impact on the life and culture of the United States

New York in the Sixties Klaus Lehnartz,Allan R. Talbot,2014-05-05 Compelling photographs offer a vivid and varied tableau of daily life shoppers subways Central Park Coney Island dozens of other revealing views of the city 159 photographs by Lehnartz

The Presidency of Richard Nixon Melvin Small,1999 A lively anecdotal account features every facet of Nixon s controversial administration just in time for the 25th anniversary of his history making resignation from the presidency 23 photos

Freedom Riders Raymond Arsenault,2006-01-15 They were black and white young and old men and women In the spring and summer of 1961 they put their lives on the line riding buses through the American South to challenge segregation in interstate transport Their story is one of the most celebrated

episodes of the civil rights movement yet a full length history has never been written until now In these pages acclaimed historian Raymond Arsenault provides a gripping account of six pivotal months that jolted the consciousness of America The Freedom Riders were greeted with hostility fear and violence They were jailed and beaten their buses stoned and firebombed In Alabama police stood idly by as racist thugs battered them When Martin Luther King met the Riders in Montgomery a raging mob besieged them in a church Arsenault recreates these moments with heart stopping immediacy His tightly braided narrative reaches from the White House where the Kennedys were just awakening to the moral power of the civil rights struggle to the cells of Mississippi s infamous Parchman Prison where Riders tormented their jailers with rousing freedom anthems Along the way he offers vivid portraits of dynamic figures such as James Farmer Diane Nash John Lewis and Fred Shuttlesworth recapturing the drama of an improbable almost unbelievable saga of heroic sacrifice and unexpected triumph The Riders were widely criticized as reckless provocateurs or outside agitators But indelible images of their courage broadcast to the world by a newly awakened press galvanized the movement for racial justice across the nation Freedom Riders is a stunning achievement a masterpiece of storytelling that will stand alongside the finest works on the history of civil rights

Sights on the Sixties Barbara L. Tischler,1992 The Age of Impeachment David E. Kyvig,2008 A Bancroft Prize winning historian chronicles the modern history of impeachment and the shift in American politics and constitutional culture revealed by its evolving interpretation and use

The 1960s Jennifer A. Hurley,2000 Presents opposing viewpoints on events of the 1960s including the Vietnam War social rebellion the civil rights movement and the women s liberation movement

The 1960s Rebecca Jackson,1992-12-10 The 1960s were a particularly turbulent period and the events of those years continue to interest and influence American society This bibliography records and documents the most significant happenings of that decade The volume spans the years between 1960 and the resignation of President Nixon in 1974 It includes citations for more than 1300 books related to that period Some of the books were written during the 1960s and directly influenced people of that time Others were written afterward and analyze and interpret the events of the decade The entries are arranged in topical chapters and each citation is accompanied by a descriptive and evaluative annotation The volume begins with an introduction that overviews and discusses the major events and trends of the time The 17 topical chapters that follow treat virtually every aspect of life in the 1960s The first few chapters include general works on the underlying social political and economic conditions that served to define the decade Other chapters discuss works on the presidencies social protests the impact of the Vietnam war the cultural revolution and trends in art music literature and religion The bibliography concludes with author title and subject indexes that add to its value as a reference tool

Restaging the Sixties James Martin Harding,Cindy Rosenthal,2006 A dynamic exploration of eight radical theater collectives from the 1960s and 70s and their influence on contemporary performance

The Turbulent 60s - 1960 Loreta M. Medina,Lory Medina,2003-12-10 A collection of primary source documents from the year 1960 highlighting the nation s

struggle with segregation censorship civil rights and the burgeoning Cold War
