

## New York Loyalists

**Robert Abraham East, Jacob Judd**

## New York Loyalists:

**The New York Loyalists** Philip Ranlet,2002-08-20 The New York Loyalists is a narrative history of the American Revolution in the State of New York Beginning in 1765 with the terrible violence against the Stamp Act in New York City some moderate men sought to restrain extremists and tried hard to contain their violence These moderates of New York angered New England because they refused to tolerate Boston's cheating during the non importation crisis Yet when war broke out in 1775 New York was firmly in the patriot camp Despite an unsuccessful British invasion of northern New York in 1777 and the loss of New York City in 1776 the state remained overall a center of support for the Revolution The book discusses the fate of the loyalists after the return of peace in 1783 and even travels out of the country to show how Canada was settled by exiled loyalists The second edition incorporates new research and corrects minor errors It contains some new illustrations a preface linking New York with loyalists in other states and an essay that comments on historical work published on the subject since 1986

**Loyalism in New York During the American Revolution** Alexander Clarence Flick,1901 Classic study including extensive appendix of forfeited estates Topics include the rise of the Loyalist Party final organization war against the loyalists county inquisitorial organizations activities of loyalists after issuance of the Declaration of Independence activities of the commissioners on loyalists 1776-81 confiscation and sale of the property of loyalists emigration of loyalists to Great Britain Canada and Nova Scotia and treatment of loyalists by Great Britain Alexander Clarence Flick was Sometime University Fellow in History at Columbia University and Professor of European History at Syracuse University

*Loyalism in New York During the American Revolution* Alexander Clarence Flick,1969

**Patriots,**

**Loyalists, and Revolution in New York City, 1775-1776** Bill Offutt,2022-07-01 Patriots Loyalists and Revolution in New York City 1775-1776 draws students into the chaos of a revolutionary New York City where Patriot and Loyalist forces fight for advantage among a divided populace Confronted with issues like bribery the loss of privacy and collapsing economic opportunity along with ideological concerns like natural rights the philosophical foundations of government and differing definitions of tyranny students witness how discontent can lead to outright revolt

*The Loyalist Americans* Robert

Abraham East,Jacob Judd,1975 Essays presented at a conference held at Tarrytown N Y Nov 2-3 1973 and sponsored by Sleepy Hollow Restorations and the New York State American Revolution Bicentennial Commission Bibliography p 163

Includes index

*Generous Enemies* Judith L. Van Buskirk,2002 During the seven years of British occupation that spanned the American Revolution communities conventionally depicted as hostile opponents were in fact in frequent contact

**From Loyalists to Loyal Citizens** Valerie H. McKitto,2015-08-10 The DePeyster family of New York was one of the first families of New Amsterdam ranking among the wealthiest of New York during the early days of the American Republic The DePeysters were also unapologetic Loyalists serving in the King's forces during the American Revolution After the war the four sons left the United States for Canada and Great Britain Ten years later one son Frederick DePeyster returned to New

York embraced his Loyalist past and utilized his British connections to become a prominent and successful merchant The DePeysters went on to become true Patriots zealously supporting US interests in the War of 1812 This book examines the forces at work in the lives of the DePeyster family and the decisions they made to navigate their way from loyal subjects of the British crown to loyal citizens of the United States How this transformation occurred challenges many of the preconceived ideas we hold both about the Revolution and the formation of the American identity in the years following the war

**Patriots, Loyalists, and Revolution in New York City, 1775-1776** William McEnery Offutt, 2011 Part of the Reacting to the Past series Patriots Loyalists and Revolution in New York City 1775 76 draws students into the political and social chaos of a revolutionary New York City where Patriot and Loyalist forces argued and fought for advantage among a divided populace Students engage with the ideological foundations of revolution and government through close readings of Locke Paine and other contemporary arguments Each student's ultimate victory goal is to have his/her side in control of New York City at the end of 1776 not as of the end of the Revolution when all know who won as well as to achieve certain individual goals e.g. slaves can attain freedom property women can be granted voting rights laborers can make deals for land Winning requires the ability to master the high politics arguments for and against revolution as well as the low political skills of logrolling bribery and threatened force Military force often determines the winner much to the surprise of the students who concentrated merely on internal game politics

**The Loyalist Americans** Sleepy Hollow Restorations (Organization), New York State American Revolution Bicentennial Commission, 1975 Essays presented at a conference held at Tarrytown N.Y. Nov 2-3 1973 and sponsored by Sleepy Hollow Restorations and the New York State American Revolution Bicentennial Commission Bibliography p 163 Includes index

Unfriendly to Liberty Christopher F. Minty, 2023-05-15 In Unfriendly to Liberty Christopher F. Minty explores the origins of loyalty in New York City between 1768 and 1776 and revises our understanding of the coming of the American Revolution Through detailed analyses of those who became loyalists Minty argues that those who became loyalists came together long before Lexington and Concord to form an organized politically motivated and inclusive political group that was centered around the DeLancey faction Following the DeLanceys' election to the New York Assembly in 1768 these men, elite and nonelite, championed an inclusive political economy that advanced the public good and they strongly protested Parliament's reorientation of the British Empire For New York loyalists it was local politics, factions, institutions, and behaviors that governed their political activities in the build up to the American Revolution By focusing on political culture, organization, and patterns of allegiance Unfriendly to Liberty shows how the contending allegiances of loyalists and patriots were all but locked in place by 1775 when British troops marched out of Boston to seize caches of weapons in neighboring villages Indeed local political alignments that were formed in the imperial crises of the 1760s and 1770s provided a critical platform for the divide between loyalists and patriots in New York City Political and social disputes coming out of the Seven Years War more than republican radicalization in the 1770s forged the united force

that would make New York City a center of loyalism throughout the American Revolution     The Liberty We Seek Janice Potter-MacKinnon,1983 This book seeks to provide a clear statement of Loyalist ideas and to show that there was an ideology common to Loyalists from different backgrounds and regions The emphasis in this study is on the public appeal of the Loyalists rather than on their private thoughts     Patriots and Spies in Revolutionary New York A.J. Schenkman,2021-11-15

Spies Loyalists Tories Conspiracy Strange messages Codes in invisible ink The American Revolution was first and foremost a civil war that tore at the very fabric of families as well as society Patriots were determined to separate from England while Loyalists were just as determined to defeat what they saw as a rebellion Many do not know that during several critical periods the war was almost fatally undermined by English sympathizers or in some cases opportunistic Patriots Patriots and Spies in Revolutionary New York is a compilation of twelve stories regarding important moments in New York State s history during the American Revolution     History of New York During the Revolutionary War Thomas Jones,1879     **Liberty's**

**Exiles** Maya Jasanoff,2011 A global history of the post Revolutionary War exodus of 60 000 Americans loyal to the British Empire to such regions as Canada India and Sierra Leone traces the experiences of specific individuals while challenging popular conceptions about the founding of the United States     History of New York During the Revolutionary War Thomas Jones,1879

**Unnatural Rebellion** Ruma Chopra,2011-05-29 Thousands of British American mainland colonists rejected the War for American Independence Shunning rebel violence as unnecessary unlawful and unnatural they emphasized the natural ties of blood kinship language and religion that united the colonies to Britain They hoped that British military strength would crush the minority rebellion and free the colonies to renegotiate their return to the empire Of course the loyalists were too American to be of one mind This is a story of how a cross section of colonists flocked to the British headquarters of New York City to support their ideal of reunion Despised by the rebels as enemies or as British appendages New York s refugees hoped to partner with the British to restore peaceful government in the colonies The British confounded their expectations by instituting martial law in the city and marginalizing loyalist leaders Still the loyal Americans did not surrender their vision but creatively adapted their rhetoric and accommodated military governance to protect their long standing bond with the mother country They never imagined that allegiance to Britain would mean a permanent exile from their homes     **Loyalism in New York During the American Revolution** Alexander Clarence Flick,1901     *Kingston and the Loyalists of the "Spring Fleet" of 1783* Walter Bates,1889

**Shadow Soldiers of the American Revolution** Mark Jodoin,2009-07-01 The little known true stories of ten British loyalists who fled to Canada during the American Revolution then came back to try to reclaim their land In 1778 New York State Patriots forced colonists loyal to the British government to flee north into what became Ontario and Quebec Many of the defiant young British Americans soon returned south as soldiers spies and scouts to fight for their multigenerational farms along the Mohawk River Lake Champlain and Hudson River Valleys Eventually defeated they were banished from their ancestral homelands forever In this book Mark Jodoin offers

an enlightened look back at ten young men and women who were forced north into Ontario and Quebec sharing the struggles these Loyalists faced during our nation's founding. Includes illustrations **Tory Spy** Daniel Dudley Lovelace, 2009 Two weeks before General Cornwallis surrendered his army at Yorktown a Loyalist yeoman farmer who had fought alongside the British for six years was hanged as a spy at Schuylerville New York before a crowd of his former friends and neighbors. Like the vast majority of the estimated 500 000 Loyalists who gambled on a British victory Thomas Loveless and his family were ordinary people swept up by social and political forces beyond their control. **Tory Spy** analyzes this Loyalist Dilemma making use of British and American documents of the period and providing useful illustrations maps appendices footnotes and an index. A few years ago the movie *The Patriot* starring Mel Gibson graphically portrayed Rebel Tory warfare in the Carolinas during 1779 1780. The Rebel family in *The Patriot* was a fictional composite but the trials of the Loyalist Thomas Loveless family of Albany County New York were real. Located astride the principal invasion corridor between Canada and the U S and a hotbed of Rebel Tory conflict Albany County became a battleground between a cadre of refugee Tory Spies based in Canada and their Rebel former neighbors. **Tory Spy** offers a rare snapshot of the Revolutionary War as a multi level conflict in which brother fought brother neighbor betrayed neighbor and vague charges of espionage meant a quick route to the gallows. It is a largely untold story which offers new insights into the price paid by many of the Loyalists who were the hidden losers of America's first civil war. This is a story for our times it is about people responding to the pressures of revolutionary change. Their world was coming apart and the outcome was unpredictable. **Tory Spy** forces the reader to ask What would my family and I do if our neighborhood became a war zone torn apart by bloody battles and increasingly lethal intelligence warfare and we were viewed as potential spies or combatants. Contemporary Americans may be surprised by what **Tory Spy** tells them about the violent social conflict that gave birth to their country. Yet the book's interwoven stories a Loyalist farm family's struggle to survive amidst the partisan violence in Albany County the father's British military service and later exploits as an officer in the Tory Secret Service and the bizarre circumstances surrounding his capture trial and execution were among the harsh realities of America's Revolution. More than 230 years after the signing of the Declaration of Independence these exciting stories remain part of America's revolutionary heritage and they deserve to be told.

Right here, we have countless book **New York Loyalists** and collections to check out. We additionally present variant types and with type of the books to browse. The okay book, fiction, history, novel, scientific research, as with ease as various supplementary sorts of books are readily open here.

### **New York Loyalists Introduction**

In todays digital age, the availability of New York Loyalists books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of New York Loyalists books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of New York Loyalists books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing New York Loyalists versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, New York Loyalists books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing New York Loyalists books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for New York Loyalists books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals,

making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, New York Loyalists books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of New York Loyalists books and manuals for download and embark on your journey of knowledge?

## FAQs About New York Loyalists Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
