*Brown* Robert J. Kirkpatrick,2024-02-29 The use of school life as a closed narrative environment is well documented and

modern examples such as Malory Towers and Harry Potter show the genre s continued appeal While there have been several histories of the school story especially in children s literature almost all of them take as their starting point Tom Brown s Schooldays Although occasionally acknowledged in passing there has never been a complete study of earlier school stories or of other fictional portrayals of school life before the middle of the eighteenth century In *Before Tom Brown* Robert Kirkpatrick traces the roots of the school story back to 2500BC when school life was a feature of Sumerian Egyptian and Graeco Roman texts written as teaching aids for children From Chaucer s Canterbury Tales to Shakesperean comedies he explores for the first time the use of school dialogues in the classroom in print and on stage and presents new evidence that the first school novel appeared in 1607 Finally he examines the role of the school story in the broader development of the novel as the genre became established through the eighteenth century Readers will be rewarded with a whole new perspective on the history of children s literature
