Next Thing To Strangers:

Sweet Stranger Berta Ruck, 1921 **Feats on the Fjord and Merdhin** Harriet Martineau, 1915 **Bridging Differences** William B. Gudykunst, 2003-08-11

The Fourth Edition of *Bridging Differences* Effective Intergroup Communication builds on the strengths of the previous editions and provides state of the art knowledge about intergroup communication. This new edition brings a strong skills oriented approach to improving communication effectiveness between people from different groups e.g. cultures, ethnic groups, social classes. *Bridging Differences* is based on the assumption that the processes operating when we communicate with people from other groups are the same processes operating when we communicate with people from our own groups. Author William B. Gudykunst has written this book from the perspective of communicating with strangers and addresses how factors related to our group memberships e.g. inaccurate and unfavorable stereotypes of members of other cultures and ethnic groups can cause us to misinterpret the messages we receive from members of those groups.

New to the Fourth Edition: Expanded discussions of several topics such as changing intergroup expectations, cultural differences in attribution processes, cultural and ethnic differences in conflict, cultural differences in indirect messages, cultural differences in uncertainty management, empathy, ethnic and cultural identities, face and its relationship to conflict management, intergroup communication effectiveness, intergroup conflict, intergroup biases, negotiating means, perceptual processes and prejudice. New material has been added on civic engagement, community in public life, diversity and community, the content of stereotypes, communication in romantic relationships, cultural differences in effective communication and theoretical explanations for prejudice.

Pedagogical features include end of chapter study questions, self assessment questionnaires, open ended questions to stimulate readers to think about their implicit theories and written skill exercises to increase students skill development. Designed for students taking courses in Intercultural Communication or Intergroup Communication, *Bridging Differences* is also useful for many courses in Cultural Studies, Anthropology, Sociology and Management.

STOP PRESS: *The Stranger Times* wins the 2023 British Fantasy Award for Best Audio Work. Wonderfully dark, extremely funny, proclaimed ADAM KAY author of the No 1 bestselling *This is Going to Hurt*. A filmic romp with great characters, a jet propelled plot and a winning premise, said the GUARDIAN JASON MANFORD, it's Hilarious. You'll never look at Manchester the same way again. The Chronicles of St Mary's series author JODI TAYLOR declared, I loved this great premise, great story, great characters, hugely enjoyable. And THE TIMES called it ripping entertainment from start to finish. There are dark forces at work in our world and in Manchester in particular, so thank God *The Stranger Times* is on hand to report them.
