MY CONVERSATIONS
WITH CHIMPANZEES

**"Engrossing...alternately
hilarious and heartbreaking."**

—*San Francisco Chronicle*

*"Language did not descend from the
gods. It emerged from our animal
ancestors. We can talk with the animals—
or at least with our ape siblings. I was
sure of that. I was talking with Washoe."*

Swearing Is Good for You: The Amazing Science of Bad Language Emma Byrne, 2018-01-23 Entertaining and thought provoking Byrne's enthusiasm for her esoteric subject is contagious damn it Melissa Dahl New York Times Book Review In this sparkling debut work of popular science Emma Byrne examines the latest research to show how swearing can be good for you She explores every angle of swearing why we do it how we do it and what it tells us about ourselves Packed with the results of unlikely and often hilarious scientific studies from the ice bucket test for coping with pain to the connection between Tourette's and swearing to a chimpanzee that curses at her handler in sign language Swearing Is Good for You presents a lighthearted but convincing case for the foulmouthed

Encyclopedia of Anthropology H. James Bix, 2006

Focuses on physical social and applied anthropology archaeology linguistics and symbolic communication Topics include hominid evolution primate behaviour genetics ancient civilizations cross cultural studies and social theories Critical Kinship Studies Damien W. Riggs, Elizabeth Peel, 2016-09-15 This book draws together research on posthumanism and studies of kinship to elaborate an account of western human kinship practices Studies of kinship have increasingly sought to critique the normative assumptions that often underpin how caring relationships between humans are understood The categorisation of human and kinship is brought into question and this book examines who might be excluded through adherence to accepted categories and how a critical lens may broaden our understanding of caring relationships Bringing together a diverse array of analytic foci and theoretical lenses Critical Kinship Studies opens up new avenues for understanding what it means to be in relationships with others and in so doing challenges the human exceptionalism that has often limited how we think about family loss love and subjectivity

Creating Women's Theology Monica A.

Coleman, Nancy R. Howell, Helene Tallon Russell, 2011-09-22 Creating Women's Theology engages women's questions Can women from different religious traditions engage one theological approach Can one philosophical approach support feminist religious thought What kind of belief follows women's criticism of traditional Christianity Creating Women's Theology offers a portrait of how some women have found room for faith and feminism For the last twenty five years women religion scholars have synthesized process philosophy with their feminist sensibilities and faith commitments to highlight the value of experience the importance of freedom and the interdependence of humanity God and all creation Cutting across cultural and religious traditions process relational feminist thought represents a theology that women have created This volume offers an introduction to process and feminist theologies before presenting selections from canonical works in the field with study questions This volume includes voices from Christianity Judaism goddess religion the Black church and indigenous religions Creating Women's Theology invites new generations of undergraduate seminary and university graduate students to the methods and insights of process relational feminist theology
