Bartlett's story is thrillingly upside down Rather than the classic conversion narrative of escaping the world to dedicate your life to God it is about escaping a collapsing institutional order to discover a different self and learning to be in the world An extraordinary account with pivotal themes of sexuality trauma revolution and relationship Unbecoming a Priest spans eras classes continents cities wars iconic figures spiritualities and above all divergent modes of Christian being in the world From London to Rome from Europe to Latin America journeying with exceptional fellow pilgrims like Mother Teresa Pedro Casaldáliga Carlo Carretto it is a story of pain and messiness becoming ultimately one of joy life and meaning Subtly but surely the journey is also gospel inspired where the figure of Jesus takes on a provocative anarchic role helping in the overturning of

sacrificial clichés and systems Inevitably at stake is the meaning of priesthood itself either propping up an eternal order amidst history's escalating crisis or seeking with others the germ of authentic new human becoming and hope Here is the inescapable drama and contemporary truth of unbecoming a priest [Catalog of Copyright Entries](#) Library of Congress.
