## Nice One Sam:

*Good Housekeeping Magazine* ,1914      The Value of Names and Other Plays Jeffrey Sweet,2008-05-14 In this collection of plays the playwright confronts both personal politics and the impact of historical change The title work first mounted in 1982 is a comedy drama about the aftermath of the blacklist whose continued relevance makes it a frequently produced play today The family drama *Porch* suggests larger social changes through the interaction of a small town shopkeeper and his defiant daughter The lauded *American Enterprise* set in the Chicago of the robber barons is a song filled true story about a millionaire whose stubborn idealism leads to disaster *Stay till morning* is a rueful comedy about sex and accommodation in the Florida Keys The three plays that grew out of his fascination with the effects of World War II *Berlin 45* Court martial at Fort Devens and *The action against Sol Schumann* dramatize the ways in which that conflict transformed private fates Each script is accompanied by an introduction from the playwright as well as performance notes      **Good Housekeeping ...**
