Intifada Don Peretz, 2019-03-04 This book is intended as an overview of the uprising the Intifada of the Palestinian Arabs in the West Bank and Gaza territories occupied by Israel since the June 1967 war In the two years since the Intifada began during December 1987 it has acquired unusual international importance and visibility and has led to a number of significant changes in the policies of the principal actors involved especially Israel the United States the Palestine Liberation Organization and the Palestinian inhabitants of the occupied territories The Intifada has altered in many ways the dimensions of the Arab Israeli conflict by rearranging the order of political and diplomatic priorities of those involved and by thrusting the conflict to the forefront of international attention This book describes the background origins and causes of the uprising and its impact on the actors it also examines the prospects for coping with it I am obligated to my wife Dr Maya Peretz for her assistance in preparing the manuscript and in helping to meet the publisher s deadlines which sprang upon us more quickly than anticipated Thanks also go to Deena Hurwitz to Palestine Perspectives and to the UNRWA Liaison Office in New York for the photos used Finally I wish to express my appreciation to the Rockefeller Foundation for the time I spent at its Study Center in Bellagio Italy during the final editing stage of this book
