

A diagram illustrating the three selves and zones of empowerment/disempowerment. It features three white circles with dark red outlines, each containing a self-label: 'Performing Self' on the left, 'Adapted Self' in the center, and 'Authentic Self' on the right. These circles are connected by a dark red, curved, ribbon-like shape that forms a bridge between them. Below this bridge is a horizontal dark red bar. On the left side of this bar, the text 'Zone of Disempowerment' is written in white. On the right side, the text 'Zone of Empowerment' is written in white.

THRIVING IN THE 21ST CENTURY Humans have a unique capability to both understand their situation in the world and to envision and act to realise their aspirations in the emerging world And most of us would welcome knowing how we can become ever more skilful at both understanding and shaping the future of our emerging world so that we can thrive in it The 21st century is very different from the 20th century Globalisation the greatest economic prosperity uplifting machine

humanity has ever invented and mass education are combining to sweep humanity into an emerging interdependent global village It is creating a global educated middle class that will number 5 billion in 2030 In this emerging world a world where our future prosperity will be increasingly based on metaphysical wealth on what we know 20th century nation first competitive win lose mindsets and agendas can no longer work These now yesteryear mindsets will instead undermine our best endeavours including making our future ever more climate and pandemic safe Humanity is now beginning to learn that it now has no option but to adopt planet first collaborative win win values and mindsets if it wishes to shape our emerging global village so that it can become liveable for all ever more prosperous harmonious inclusive sustainable healthy and secure Meeting these challenges successfully will require that humanity innovates for itself a new future knowledge

curriculum so that it can economically thrive in a sustainable and humane manner Peter Ellyard has asked the question what would be the contents of such a curriculum In The Future Knowledge Compendium A Curriculum for Thriving in the 21st Century he has sought to answer this question
