Our Precious Pets:

Our Precious Pets Ann Wigmore,1987 *Our Precious Pets* Ann Wigmore,196? Dogs and Cats Beth Adelman,2017-11-30 Covers the issues facing homeless cats and dogs how to adopt a pet and what you can do to make sure your pets are healthy **The Power of Pets** Kelly Wallace,2018-04-30 Many people seek the help of animal whisperers These professionals seem to have a natural knack for intuitively knowing what animals want and need They can find out if a pet is ill why they have certain behavioral problems what the pet thinks of their owners and how to make your furry loved one happier and healthier But more and more people are realizing that they can psychically or intuitively communicate with their pets themselves If you ve had pets I m sure you can see how different their personalities were I bet you ll smile at your memories of them too Pets can bring us so much joy They can also help us heal just as we can help them You can even learn to communicate with them whether your furry family member is in this world or the afterworld Pets have so much to say to us but first you need to tune into them to understand the messages they re sending Learning to read their body language is simple and as you get more accustomed to this you can even communicate telepathically That might sound incredible but you ll be surprised at how easy it is Since various animals have different levels of consciousness they ll communicate on their own unique level In time you ll learn how your pet communicates what it wants you to know I ll show you how *Pet Parents* Coleen Ellis,2011-07 When Coleen Ellis beloved dog died in 2003 she discovered that she found no good resources to assist her with her grief To help others in this situation she opened the first standalone pet funeral home in the United States in Indianapolis In this guidebook she helps pet parents veterinarians death care professionals and other celebrate the special bonds we share with our animal companions *All Pets Go To Heaven* Sylvia Browne,2009-10-06 World famous psychic and 1 New York Times bestselling author Browne uses her special psychic gift to show readers how pets fit into the afterlife With 40 years of research and stories culled from her decades long career the author reveals keen insights into the true beings of animals **The Ladies' Room Reader** Alicia Alvarez,2001-03-01 Offers a compendium of interesting facts about women covering everything from shopping marriage and food to Oprah Winfrey sex pets and cosmetics **Animals in Heaven-Fantasy or Reality** Arch Stanton,2006-06-02 Animals have been with us since the state of existence or being The bible tells us God created the animal kingdom for his pleasure When God created the heaven and earth and all life that exist he obviously saw a need for animals or they would not be here Why God created them in the shapes and forms as they were we do not know the choice was his and as I mentioned He chose to do so in a way that pleases him Animals have a mind that gives them the ability to think and have feelings Animals have a certain intelligence we do not possess such as an internal guidance system Both dogs and cats have this ability and I would imagine there are other animals as well God created everything with a purpose and a need the animals kingdom is one such example Many people believe God s purpose for animals is to serve humankind and upon death they are to perish with no possible chance for eternal life However does the

bible teach this In the first chapter of the book of Genesis the bible tells us God considered the animals a creation that was very good he was pleased with them Many people consider the life of an animal as having a very small worth To them an animal just lives and dies Many people have the attitude of so what The bible tells us God doesn t care for an attitude such as this because he values the life of his animals very much Throughout the entire bible the information found pertaining to the animal kingdom is very precise The bible tells us the animals are to be forever God had this intention when he created them and this application of thought remains today and forever The bible never mentions mankind alone is to receive eternal life How different would our lives be without animals There would be no pets for those who are lonely and without family There would be no zoos for family outings There would be no circus acts with animals There would be no dog as a best friend There would be no Seeing Eye dogs There would be no animals to alert their owners of an ever present danger during the night such as fires burglars etc I believe we simply overlook the fact there is a purpose for all of God s creatures The purpose for this book is to reveal the truth in what the bible tells about the animal kingdom We need to know God s purpose for them The bible explains in detail God s plan for his animals even after death God wants us to know about them or he would never have emphasized their importance in his word Many people are reluctant to discuss the animal kingdom from a biblical point of view I find this strange to say the least God has included them in his written word but many ministers will say very little if anything about them The scriptures in this book are from the King James Bible What the bible tells us is 100% accurate and lest we never forget God simply made no mistakes in his word The bible is never contradictory We will read scriptures that clearly explain that animals will be in heaven and why God wants them to be there with us If we had the power to give our pet s eternal life would we want the life of our animals to be temporal If God loves his animals more than we could ever love them shouldn t this type of love indicate his love for them is tremendous Since we know God can give animal s eternal life could be there any single reason to give them life that would be only temporary First we should know the bible is not dull dismal or neutral The bible is not an area between two extremes having mingled characteristics of both of them a situation in which there are no clear cut distinctions The interpretations of scriptures have been defined several ways over the years and this has cause confusion in many churches We will read scriptures about the animal kingdom that many of you may not know are in the bible We will read scriptures that are clearly stated to mean one thing and one thing only and that is Animals are to be in heaven By the time you have finished this book you will have a better understanding for the purpose of the animal kingdom You may then decide if the scriptures do indeed tell us animals have a soul do they have a spirit did God create them with a purpose in this life is he going to give them eternal life With God s help you will decide For more information please visit www.dutchman3d.com [Irish Bee Journal, a Monthly Beekeepers' Gazette ,1910](#) [The Beekeepers' Gazette .. ,1917](#) [A Memoir of Her Royal Highness Princess Mary Adelaide, Duchess of Teck](#) Clement Kinloch Cooke,1900
