## Our Search For Serenity:

**Search for Serenity** Lewis F. Presnall, 2013-07 When Lewis Presnall's *The Search for Serenity and How to Achieve It* was originally published in 1959 there was no publication party or PR campaign. There were no advertisements and of course no postings on Facebook or Twitter. And yet the book which was originally published by an AA chapter has sold tens of thousands of copies. Its only publicity has been through friends or relatives telling other friends or relatives they have to read it too. Over the years the book has transcended the AA self help book genre to become a touchstone for many thousands of readers from a variety of backgrounds. For over half a century Presnall's advice and wisdom has changed lives and they still resonate today. He shows us that serenity is truly a choice as is misery. You do not need to feel trapped by your emotions and in *The Search for Serenity and How to Achieve It* you will learn how you can purge your despair to change the way you feel. It all begins with self analysis and awareness. This guide goes beyond self help; it sets you on the road to long term spiritual growth that brings clear insight and reflection. Presnall's words offer comprehensive tools to combat several obstacles including depression, addiction, stress and other negative emotional habits. Presnall has provided an enduring and encouraging guide for taking control of our lives and finding contentment and enjoyment from the back cover.
