# OUR SOUTHERN HIGHLANDERS

*A History and Narrative of Adventure in the  
Southern Appalachian Mountains, and a Study  
of Life Among the Mountaineers in the early 20th Century*

HORACE KEPHART

# Our Southern Highlanders

**Horace Kephart**

## **Our Southern Highlanders:**

*Our Southern Highlanders* Horace Kephart, 1914      **Our Southern Highlanders by Horace Kephart** Horace Kephart, 2020-01-16 A Social History of the Mountain Folk of the Great Smoky Mountains *Our Southern Highlanders* A Narrative of Adventure in the Southern Appalachians and a Study of Life Among the Mountaineers is a book written by American author Horace Kephart first published in 1913 and revised in 1922 Inspired by the years Kephart spent among the inhabitants of the remote Hazel Creek region of the Great Smoky Mountains the book provides one of the earliest realistic portrayals of life in the rural Appalachian Mountains and one of the first serious analyses of Appalachian culture Later in life Kephart campaigned for the establishment of a national park in the Great Smoky Mountains with photographer and friend George Masa and lived long enough to know that the park would be created He was later named one of the fathers of the national park According to Bryson City author George Ellison no book devoted to Southern Appalachia is more widely known read and respected than *Our Southern Highlanders*      **Our Southern Highlanders** Horace Kephart, 2025-03-14 A wonderful book I like it especially for its color and anecdotes It is a classic not only for its accuracy and breadth of insights into the people of the region but because these people themselves are so interesting and strong Annie Dillard author of *Pilgrim at Tinker Creek* No other book on the Southern Appalachians is more widely known or cited First published in 1913 revised in 1922 *Our Southern Highlanders* was inspired by the author's experience in Hazel Creek Great Smoky Mountains Rich with allusions and filled with details of mountain life this book was one of the first to attempt to dispel negative stereotypes of mountain people and remains a classic In this edition from the University of Tennessee Press renowned author and naturalist George Ellison pens a vital introduction that deepens our understanding of Kephart a complicated man in many ways and the wonderment of the Great Smoky Mountains as the land and its people were on the cusp of the creation of what would become the most popular national park in America      *Our Southern Highlanders* Horace Kephart, 2016-02-20 The Southern highlands themselves are a mysterious realm When I prepared eight years ago for my first sojourn in the Great Smoky Mountains which form the master chain of the Appalachian system I could find in no library a guide to that region The most diligent research failed to discover so much as a magazine article written within this generation that described the land and its people Nay there was not even a novel or a story that showed intimate local knowledge Had I been going to Teneriffe or Timbuctu the libraries would have furnished information a plenty but about this housetop of eastern America they were strangely silent it was terra incognita      *Our Southern Highlanders* Horace Kephart, 2019-06-21 Travel author Horace Kephart discusses the culture of Appalachia he observed while living in a mountain cabin for several months at the start of the 20th century This edition contains all of his original photographs An honest account of the old Appalachian culture *Our Southern Highlanders* attests to rugged yet proud communities well adapted to rough terrain We discover a people who have carved out an existence through sheer grit and persistence the hardships of mountain life are evident in the worn faces and

attire Though the region is secluded the inhabitants aren't cut off trade is regular and many locals are descended from Irish Scots and English immigrants to North America Recording conversations and photographing the most noteworthy sights of his stay Kephart strives to portray the Appalachian region fairly Although known for his travel writing a craft usually aimed to encourage and inform potential visitors to a given place *Our Southern Highlanders* carries a journalistic element *Our Southern Highlanders* Horace Kephart, 1913 Travel author Horace Kephart discusses the culture of Appalachia he observed while living in a mountain cabin for several months at the start of the 20th century This edition contains all of his original photographs An honest and eye opening account of the old Appalachian culture *Our Southern Highlanders* attests to rugged yet proud communities well adapted to the rough terrain We discover a people who have carved out an existence through sheer grit and persistence the hardships of mountain life are evident in the worn faces and attire Though the region is secluded the inhabitants are by no means cut off trade is regular and many locals are descended from Irish Scots and English immigrants to North America Recording conversations and photographing the most noteworthy sights of his stay Kephart strives to portray the Appalachian region fairly Although known for his travel writing a craft usually aimed to encourage and inform potential visitors to a given place *Our Southern Highlanders* carries an investigative and journalistic element After its release critics were surprised at how Kephart portrayed the Appalachian way of life in a realistic and honest fashion in decades prior the culture had received negative treatment by writers unfamiliar and disapproving However Kephart was criticized for focusing overly on the more sensationalist aspects of mountain life the making of moonshine for instance features heavily with stills photographed *Our Southern Highlanders; A Narrative of Adventure in the Southern Appalachians and a Study of the Life Among the Mountaineers* Horace Kephart, 2017-08-21 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Our Southern Highlanders* Horace Kephart, 1987

**Our Southern Highlanders** Horace Kephart, 2017-09-09 Excerpt from *Our Southern Highlanders A Narrative of Adventure in the Southern Appalachians and a Study of Life Among the Mountaineers* I have tried to give a true picture of life among the southern mountaineers as I have found it during eighteen years of intimate association with them This book

deals with the mass of the mountain people It is not concerned with the relatively few townsmen and prosperous valley farmers who owe to outside influences all that distinguishes them from their back country kinsmen The real mountaineers are the multitude of little farmers living up the branches and on the steep hillsides away from the main traveled roads who have been shaped by their own environment They are the ones who interest the reading public and this is as it should be for they are original they are characters No one book can give a complete survey of mountain life in all its aspects Much must be left out I have chosen to write about those features that seemed to me most picturesque About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*Our Southern Highlanders* Kephart Horace, 1901      OUR SOUTHERN HIGHLANDERS A NARRATIVE Horace 1862-1931  
Kephart, 2016-08-29      **Our Southern Highlanders** Horace Kephart, 2015-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**Our Southern Highlanders** Horace Kephart, 2020-07-18  
Reproduction of the original *Our Southern Highlanders* by Horace Kephart *Our Southern Highlanders* Horace Kephart, 1913 *Our Southern Highlander* is a large scale intimately detailed portrait of life among the southern mountain people in pre World War I times The author Horace Kephart lived among the people of the back trails of the Smoky Mountains grew to understand and be enthralled by them and wrote of them and their region with a lack of condescension and a perceptiveness matched by no other writer sincere His account takes note of the characters including the marvelous Quick the Snake Stick Man and the feuds ordinarily associated with these mountain people but Mr Kephart was more interested in the people as a whole what they are really like how they are influenced by their surroundings what their problems are why their language sounds as it does As he himself put it I have tried to give a true picture of life among the southern mountaineers as I have found it during eighteen years of intimate association with them This book deals with the mass of the mountain people It is not concerned with the relatively few townsmen and prosperous valley farmers who owe to their outside influences all that distinguishes them from their back country kinsmen The real mountaineers are the multitude of little farmers living up the branches and on steep hillsides away from the main traveled roads who have been shaped by their own environment Mr Kephart writes about the land as well as he writes about the people who inhabit it As a picture of a region as it once was and a way of life that is now disappearing *Our Southern Highlanders* is a remarkable document a fascinating piece of Americana that has deepened in value and interest since 1913 the year its first edition appeared

**OUR SOUTHERN HIGHLANDERS** Horace 1862 Kephart, 2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping

this knowledge alive and relevant      *Old Andy, the Moonshiner* Horace Kephart, Martha Sawyer Gielow, 2020-11-07 This is the story of a little mountain girl Sal being brought up by her grandparents Her presence on earth is the result of a brief impetuous liaison between her naive mother and a young stranger She is different her grandfather declared and is determined that she obtain a good education How he manages to pay for this involves something the government declares illegal but that Andy feels is a right Quite by a series of circumstances she meets her father now a prosperous lawyer Will she join his family in a life of ease and luxury or will she return to the mountain This volume continues with a rather sociological study of the Appalachian folk and their ways by Horace Kephart who spent much time among them He discusses their life views their social norms their feuds and speculates upon their future His study is considered definitive work on the people of the Southern Appalachians of the early twentieth century      The Mountain Man Maristhan Chapman, 1929      The Southern Highlander , 1913

Eventually, you will categorically discover a new experience and exploit by spending more cash. yet when? realize you acknowledge that you require to acquire those all needs in the same way as having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more going on for the globe, experience, some places, afterward history, amusement, and a lot more?

It is your certainly own epoch to do its stuff reviewing habit. along with guides you could enjoy now is **Our Southern Highlanders** below.

## Our Southern Highlanders Introduction

In the digital age, access to information has become easier than ever before. The ability to download Our Southern Highlanders has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Our Southern Highlanders has opened up a world of possibilities. Downloading Our Southern Highlanders provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Our Southern Highlanders has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Our Southern Highlanders. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Our Southern Highlanders. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Our Southern Highlanders, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Our Southern

Highlanders has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Our Southern Highlanders Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Our Southern Highlanders is one of the best book in our library for free trial. We provide copy of Our Southern Highlanders in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Our Southern Highlanders. Where to download Our Southern Highlanders online for free? Are you looking for Our Southern Highlanders PDF? This is definitely going to save you time and cash in something you should think about.
