**Family Matters** Ruth Lyn Meese,2009-11-19 This volume is designed to give librarians and teachers guidance on the subject of adoption and foster care both as themes in children s literature and as issues affecting many students To help librarians and teachers gain a deeper understanding of this sensitive subject Family Matters Adoption and Foster Care in Children s Literature takes a close look at 115 works of children s literature that have themes related to adoption and foster care including many that have received the Newberry Award Caldecott Award or other prestigious honors from the American Library Association Family Matters is not just a digest of titles It is an expert resource for addressing adoption and foster care in the classroom both as a literary subject and as a personal issue with students The book opens with an historical overview of adoption and foster care then reviews level appropriate titles by age group K grade 2 grades 3 5 and grades 6 8 Coverage includes discussions of the impact of adoption and foster care on normal development as well as suggestions for safe language to use in the classroom and fun effective activities for each title

**The Woo-Woo** Lindsay Wong,2018-11-13 In this jaw dropping darkly comedic memoir a young woman comes of age in a dysfunctional Asian family whose members blamed their woes on ghosts and demons when in fact they should have been on anti psychotic meds Lindsay Wong grew up with a paranoid schizophrenic grandmother and a mother who was deeply afraid of the woo woo Chinese ghosts who come to visit in times of personal turmoil From a young age she witnessed the woo woo s sinister effects at the age of six she found herself living in the food court of her suburban mall which her mother saw as a safe haven because they could hide there from dead people and on a camping trip her mother tried to light Lindsay s foot on fire to rid her of the woo woo The eccentricities take a dark turn however when her aunt suffering from a psychotic breakdown holds the city of Vancouver hostage for eight hours when she threatens to jump off a bridge And when Lindsay herself starts to experience symptoms of the woo woo herself she wonders whether she will suffer the same fate as her family On one hand a

witty and touching memoir about the Asian immigrant experience and on the other a harrowing and honest depiction of the vagaries of mental illness The Woo Woo is a gut wrenching and beguiling manual for surviving family and oneself Our Twitchy Kes Gray, 2004-08-05 A little bunny named Twitchy discovers that there s something special about his family he was adopted by a cow and a horse **Guts** Robert Nylén, 2009-05-26 This is a memoir a package of boasts false modesty flawed memories dropped names outright errors and embarrassing disclosures that I think are pretty neat but may appall you if you re squeamish or have an orderly turn of mind Robert Nylén The thing is Robert Nylén should have died several times in 1968 He was a goner in 2006 and 2007 as well and yet he survived through a combination of dumb luck and sheer perseverance Of course as you read these words he s already bit the dust But let s not dwell on that A self confessed reckless jerk Nylén spent the last four years of his life grappling with Big Diseases cancer diabetes an astonishing twelve broken bones and ten surgeries His lifetime total is twenty four fractures most of which resulted from a flagrant refusal to act his age or anyone s age for that matter And yet Guts is not a mere chronicle of injuries but a sharp and wry meditation on American Manhood Growing up in suburbia in the 50s and 60s with a father who had worked on the atom bomb Nylén was an immature kid who was always eager for attention In college he became a slovenly hard partying fraternity brother who barely graduated Then came the realization that he was going to have to go to Vietnam A dramatic tour of duty came to an abrupt end with multiple wounds leading him to grow up fast It was then that he started the real risky business business itself Some ventures succeeded and some failed He exercised feverishly and often displayed a complete lack of common sense And then he got sick inevitably with colon cancer Hilarious moving and riveting this is the life of a tough guy as seen through the scope of a national obsession with toughness Whether he was facing Viet Cong as a platoon leader in Vietnam or doing battle with venture capitalists at home Nylén never backed down from a good fight and he had the many scars to prove it In Guts Robert Nylén writes with humor and precision about the travails and glory of manhood **The Path of Deception** David Gilbertson, 2017-08-22 Scotland Yard has been destroyed and even worse is to come London is faced with the greatest terrorist outrage it has ever experienced when Scotland Yard and much of its surroundings are reduced to rubble With hundreds dead detectives are forced to confront the fact that somewhere in their midst at the very heart of their team there is a traitor A deeply hidden agent is working against them and just three senior detectives are privy to the secret with the clock ticking against them to neutralise him or her before a further outrage occurs that will dwarf anything that the world has yet seen But nothing is as it seems and as the scene shifts from London to the USA and then to Paris and the hidden workings of the DGSE the French secret service a complex plan is exposed involving those at the heart of government that will shatter the world order that has existed for almost a century Thereafter against the background of mass migration in Europe a complex story emerges linking Nazi occupied France in 1943 and London in the near future and from Beirut in 1982 to the plains of Kansas and the suburbs of Paris as a conspiracy unfolds that will change history and alter the lives of
