Brown, 2019-10-10 Want to know what the Vietnam War was really like These are true stories from real people caught up in an all too real war They tell who we were our jobs and memories of the place and what we did after we came home From a Marine ambulance driver at Khe Sanh Special Ops troops fighting a guerrilla war against the VC and NVA Recon pilots artillerymen on Christmas Eve a Navy seaman below decks fighting a catastrophic fire on the USS Oriskany a New Zealand artillery unit firing round after round to stop an NVA assault Marine Corpsmen saving the wounded under fire patrolling the jungle with New Zealand infantry walking into Khe Sanh with the 1st Cav as they broke the siege riding in an APC with the armored cav across the hills in I Corps being shot down in Cambodia with a Huey pilot plus cooks clerks truck drivers and gunship pilots combat medics and Marine grunts and many more from the Delta to the DMZ and Thailand to the South China Sea this book puts you in their boots While most Vietnam War books only cover one guy one unit one place and one year Volume 1 Volume 2 and now Volume 3 span all the war years from 1962 to 1975 Some of us were drafted Some enlisted Some were legit war heroes but most were just trying to survive As everyone in country knew Vietnam mostly came down to luck good or bad If you were there you understand If you weren't grab a copy and start reading anywhere in the book The stories are like Doritos Try a few I guarantee and you won't be able to stop *Our Vietnam Wars, Volume 1* William F. Brown, 2021-12-14 *Our Vietnam Nurses* Annabelle Brayley, 2016-05-02 From the bestselling author of *Bush Nurses* and *Nurses of the Outback* comes this collection of compelling and moving stories of our heroic nurses in the Vietnam War Being a nurse always requires a cool head a steady hand and an open heart But if you're working in a war zone the challenges are much harder When Australia joined the Vietnam War civilian and military nurses were there to save lives and comfort the wounded With spirit and good humour they worked hard and held strong even though most of them were completely unprepared for the war before they landed in the middle of it Working incredibly long hours and surrounded by chaos and turmoil these brave nurses and medics were integral to our war effort These fifteen stories show a side to the Vietnam War that has received little recognition but played an important part in shaping Australia's presence in the war From flying with

critically wounded Australian soldiers out of turbulent war zones to being held at gunpoint the compassion courage and grace under fire in *Our Vietnam Nurses* will inspire and astound ***Our Vietnam Wars*** William F.
