Out of the Night, Into the Wind Johnson Levering, 1985-11-01 **Out of the Girls' Room and into the Night**

Thisbe Nissen, 1999-09-01 Out of the Girls Room and into the Night is a spirited offbeat collection of stories elongated riffs on that thing we call love All manner of love stories thwarted love stories imaginary love stories love stories offhand and obsessive philosophical love stories erudite and amusing love stories People don't meet because they both like Burmese food says one character or because someone's sister has a friend who's single and new in town or because Billy's nose happened to crook just slightly to the left at an angle that made me want to weep People don't fall in love with each other they just fall into love Everyone does it women of fierce independence men of thin character rambling Deadheads gay teenage girls despondent Peace Corps volunteers anorexic Broadway theatre dancers the eager the grieving the uncommunicative Even the confused do it And they don't just fall in love with each other they fall in love with certain moments and familiar places with things as ephemeral as gestures and as evanescent as sunlight Quirky real idealistic deluded bohemian and true these are people who can and often do fall in love with a pair of ears August afternoons saucers of vitamins New Age carpenters and dead bumblebees And if there's something they can teach us it's how to conceive of alternative worlds and the terror and the exhilaration of venturing outside the confines of the lives we know and making our way into a dark glittering unknown
