ROBBERS ROOST

natural fortress for desperadoes.

A local newspaper opined that if

lawmen entered "death would be

plunged into the mouth of a volcano."

HOLE-IN-THE-WALL

Through a notch in the great Red Wall passed some of the best-known names in the Old West: Big Nose George Parrott . . . the Powder Springs gang . . . and, of course, the Wild Bunch.

BROWNS PARK

Named for settler Baptiste Brown, this isolated valley became a fur-trapping center in the 1830's. Kit Carson worked here as a hunter.

14 Days on the Outlaw Trail Larry Ervin Heck,2019-08-30 During a time in our history that included the 1800s Rustlers established a trail from the Canadian border to the Mexican Border It was used to move rustled cattle to markets that were not too fussy about branded animals The route they used was called the Outlaw Trail by those who chose to write about them The first book ever written about the Outlaw Trail was published in 1938 Well I should say it s the first one I found A writer by the name of Charles Kelly spent years putting it together About the time the rustlers were fading out Butch Cassidy and his Wild Bunch used the hideouts and the trails to avoid lawmen looking for them It is period of time that I became most interested in In 2004 I connected the hideouts using backcountry roads and trails I mapped them out one piece at a time until I had a trail going from Malta Montana to El Paso Texas For many years between 2004 and 2013 friends joined me to spend days at a time traveling sections of that trail on weekends and holidays Then in 2013 the first attempt was made to run the entire trail from end to end Three drivers went from Malta to El Paso using the backroads previously mapped out by Larry E Heck me Later that same year some of those who missed the first trip tried it again but only lasted one week and broke it off in Casper Wy In 2014 a third group gathered together through email and other social media They convinced Larry E Heck to join them to be sure they completed a trip from Malta to Page AZ That was all they could do in a 14 day time span This book is based on that last trip but includes photos and other information from previous trips It was a 14 day journey along the Outlaw Trail It visits locations where banks and trains were robbed It passes through all the designated hideouts used by the Wild Bunch and takes the readers to the campsites we used along the way GPS waypoints and mile by mile directions keep the reader on the route we used from
