Grayling, 2010-12-09 The bestseller from our pre eminent philosopher A.C. Grayling Grief and loneliness depression despair and failure those things are the common human lot at least at times in all our lives Yet it is philosophy which while not providing an answer to these problems can enable us to prepare for them and create strategies with which to deal with them It is only through reflecting upon the world around us reading thinking questioning enjoying that we can inculcate understanding tolerance and importantly the courage to live our lives It is our responsibility to live such considered lives and to realise that we are authors of a narrative that can be shaped and controlled This is the fifth in a series of essay miscellanies from our foremost philosopher A.C. Grayling reflecting upon the form of our world and its multiplicity The essays are grouped by theme into reflections upon life and the standards we live by including vivid polemics and perceptive pieces on significant thinkers contemporary rights and liberties issues This book brilliantly articulates the philosophical debate and reflection that is needed to prepare us for life in the twenty first century Invisible Stars Donna Halper, 2015-02-11 Invisible Stars was the first book to recognize that women have always played an important part in American electronic media The emphasis is on social history as the author skillfully explains how the changing role of women

in different eras influenced their participation in broadcasting This is not just the story of radio stars or broadcast journalists but a social history of women both on and off the air Beginning in the early 1920s with the emergence of radio the book chronicles the ambivalence toward women in broadcasting during the 1930s and 1940s the gradual change in status of women in the 1950s and 1960s the increased presence of women in broadcasting in the 1970s and the successes of women in broadcasting in the 1980s and 1990s The second edition is expanded to include the social and political changes that occurred in the 2000s such as the growing number of women talk show hosts changing attitudes about women in leadership roles in business more about minority women in media and women in sports and women sports announcers The author addresses the question of whether women are in fact no longer invisible in electronic media She provides an assessment of where progress for women in society as well as broadcasting can be seen and where progress appears totally stalled **Why Boys Don't**

Talk--and Why It Matters Susan Morris Shaffer,Linda Perlman Gordon,2005-01-21 Helps parents reopen the lines of communication with silent teenage sons and stay emotionally connected with them Adolescent boys are notoriously uncommunicative Unfortunately too many parents equate not talking with not feeling and as authors Susan Morris Shaffer and Linda Perlman Gordon explain in this groundbreaking guide parents who make that assumption end up validating only the most superficial aspects of their sons Recent bestsellers such as Real Boys and The Wonder of Boys have done a good job of sensitizing parents to the inner lives of boys and opening their eyes to how society shortchanges boys emotionally Now Why Boys Don t Talk and Why It Matters goes a step further Coauthored by a nationally acclaimed expert on gender equity and a social worker both of whom successfully raised teenagers of both sexes it Arms parents with proven techniques for communicating with their adolescent sons and reestablishing strong emotional bonds with them Draws upon focus groups as well as the authors considerable experience in gender equity research and counseling to analyze the subtle ways boys communicate connection Truth and Rumors Bill Brioux,2007-12-30 When you first heard it you couldn t believe it Jerry

people implicated in these rumors author Bill Brioux exposes the reality behind the many stories that currently circulate in our culture Through these stories both true and false he sheds a revealing light on just what role these rumors play in contemporary society and what role our society plays in regard to these rumors as well **Poetic Soul Vol 2** Smith Pettis,2011-04-14 **Mrs Slocombe's Pussy** Stuart Jeffries,2000 For most of us sitting in our living rooms looking for an excuse not to talk to each other of a Thursday night a million million miles away from moon landings and Cold War tension and Third World famine it is the addiction to a little flickering box in the corner that has shaped our lives since the late 1950s
