## Outside Of August:

**The Outside of August** Joanna Hershon,2003-10 For as long as Alice Green can remember her elusive mother Charlotte has moved in and out of family life disappearing relentlessly and often without explanation Despite the exotic clutter of souvenirs that detail Charlotte's international travels the Green's home becomes progressively hollow as nothing but Charlotte can fill the empty spaces With their mother's tenuous presence and their tender but distant father working long hours Alice and her brother August react in different ways While seeking constant affection from other women August relies on an unspoken bond with Charlotte that allows him a certain freedom But Alice feels no such security and grows increasingly unmoored always in search of ways to keep her mother at home When years later her unfettered brother becomes strangely remote Alice journeys to find him in an isolated beach town It is there that a deeply buried secret will have to unravel in order for Alice to come to terms with her fractured family and her place within it and learn to let go of a mother she perhaps never really knew **BOOK JACKET** **Employment Bulletin** Illinois. **Meigs County Ohio and Her Soldiers in the Civil War** Lois Helmers,2009 My love of Meigs County began as a young child I visited many summers with relatives traversing hollers and river trails Little did I realize the influence this time would have on my life When I learned that several of my ancestors had been in the Civil War I began researching their military history and that of many others from Meigs County I found research difficult because little had been written in books What was written was not in any concise order perhaps only a paragraph or two per book I hope the information you find here to be a much better representation of the county and men who served during the Civil War and will help amateur genealogists like myself to know more about their ancestors where they fought if they died where and the burial location There are in depth details about several battles including Kennesaw Mountain Georgia and Corinth and Iuka Mississippi There are descriptions of over 9 000 men and boys many who enlisted in Meigs County Ohio **The American Short-horn Herd Book** Lewis Falley Allen,William T.
