Comprehensive Textbook of Community Health Nursing Including Environmental Science (Two Volume Set), First Edition - E-Book Neerja Sood, Sakshi Chaturvedi, 2025-04-07 This book has been written with student nurses learning needs in mind and it fully covers the Indian

Nursing Council's new revised syllabus for nursing degree and diploma courses. Although it primarily intends to cater to the curriculum demands of BSc Nursing and GNM students, it will also be extremely valuable for students of various other streams studying community health courses, MLHP, CCH, and MPH courses. The main principles have been conveyed in clear terms from the students' perspective. The global and national health scenario and community health nursing principles are considered while explaining the role of community health nurses. Designed to meet the curricular needs of student nurses, relevant case studies and examples are included. Figures, tables, and pictures are placed in order to enhance logical thinking. Recent research work in the relevant field is included in the content. Contains short answer and long answer exam-oriented questions at the end of chapters. Provides additional multiple choice questions to help students have a firm grasp on the subject.

Family-centered Maternity Care Celeste R. Phillips, 2003. Family Centered Maternity Care is an approach to providing care for women and their families that integrates pregnancy, childbirth, postpartum, and infant care into the continuum of the family life cycle as normal, healthy life events. The care provided is individualized and recognizes the importance of family support, participation, and choice. Family Centered Maternity Care offers strategies and methods to bring this philosophy into maternity service operations in hospitals. This text is intended to help physicians and nurses promote quality care for families in their practice. It provides examples for developing Family Centered Maternity Care programs, in-hospital policies, and procedures for implementing such programs, sample forms, and even assessment criteria for hospitals to evaluate their level of compliance with Family Centered Maternity Care standards. Family Centered Maternity Care is an effective method of ensuring patient and family education and involvement in care, as well as providing the caregiver with a sense of fulfillment and commitment to care. Family Centered Maternity Care is an incomparable resource to help all birth centers and hospitals achieve this optimum level of healthcare delivery.
