Newfound Voices:

New Found Voices Derek Hyde, 1998 Reveals the significant role played by women in the production and performance of certain genres of music such as piano music songs and ballads The author touches on the reasons why women were more prominent in these areas than in the male preserves of chamber and orchestral music In particular *New Voices* ,2003-03

The Voice Sandi Patty, 2018-11-06 Christian music icon and forty time Dove award winner Sandi Patty has long astounded listeners with her powerful voice And yet off the stage Sandi struggled to have a voice at all Journey with Sandi and discover the tools you need to listen for God s voice and find your voice along the way With a history of sexual abuse infidelity divorce and crises of self image Sandi lived much of her life feeling unworthy of love or value Like so many of us she coped by living through the voices of others allowing other people to prescribe her identity As she performed around the world Sandi met others just like her who hid their wounds behind quiet smiles and struggled to live with fractured identities Through deeply intimate stories of her life and the empowering spiritual truths she s learned Sandi offers readers wisdom to navigate the journey from voicelessness to discovering the voice God has given you teaching you to Embrace your true self Share your story Become the person God created you to be Sandi s warm and invitational writing will draw you to the voice of the God who sings over your life saying you are seen you are loved and your voice is worth hearing With timeless wisdom The Voice will help you uncover your God given identity and a voice of your very own Praise for The Voice I ve known Sandi for more than a quarter of a century I m one of the millions who have been blessed by her voice and touched by her words of wisdom Her story is one of grace hope and second chances May it impact all who read it Max Lucado pastor and New York Times bestselling author My favorite kind of spiritual leader is the one who tells the truth and gives others permission to tell the truth I don t need shiny polished or tidy I need genuine Sandi my dear friend whom I love wholeheartedly has given us this and more in The Voice Jen Hatmaker New York Times bestselling author

Saving New Sounds Jeremy Wade Morris, Eric Hoyt, 2021-07-19 Over seventy five million Americans listen to podcasts every month and the average weekly listener spends over six hours tuning into podcasts from the more than thirty million podcast episodes currently available Yet despite the excitement over podcasting the sounds of podcasting s nascent history are vulnerable and they remain mystifyingly difficult to research and preserve Podcast feeds end abruptly cease to be maintained or become housed in proprietary databases which are difficult to search with any rigor Podcasts might seem to be highly available everywhere but it s necessary to preserve and analyze these resources now or scholars will find themselves writing researching and thinking about a past they can t fully see or hear This collection gathers the expertise of leading and emerging scholars in podcasting and digital audio in order to take stock of podcasting s recent history and imagine future directions for the format Essays trace some of the less amplified histories of the format and offer discussions of some of the hurdles podcasting faces nearly twenty years into its existence Using their experiences building and using the PodcastRE database one of the largest publicly

accessible databases for searching and researching podcasts the volume editors and contributors reflect on how they as media historians and cultural researchers can best preserve podcasting's booming audio cultures and the countless voices and perspectives podcasting adds to our collective soundscape
