It is destined to take a prominent place among the classics of primary Civil War literature. GORDON C. RHEA author of *In the Footsteps of Grant and Lee* Stephen Dodson Ramseur well represented that class of aggressive young generals to whom Robert E. Lee entrusted his Army of Northern Virginia in battle. These letters effectively recapture the life and character of an educated and articulate Southerner who remained both convinced of the rightness of his cause and truly devoted to his family and friends until he fell in battle at Cedar Creek in October 1864.
