Our Town 1940:

Life, Myth, and the American Family Unreeling Jeffry John Stein, 2005 This book is about what movies do for us It is about how movies exhibit the contradictions truths and fantasies surrounding our bedrock American beliefs in things held sacred including in this case our creed of family It is about why we again and again attend the dark universal tabernacles in which these sermons are offered The depth of analysis offered here will also bring new insights to those concerned with parenting issues self understanding and media consciousness all increasingly relevant areas of concern in contemporary life And for those interested in telling stories that will truly move the rest of us this book will serve as a secret doorway to the inner sanctum of human characters responding to the places and times of their lives Finally this book will bring revelation and liberation to reader s lives by showing them how to look through movies into themselves as they have never done before In the specific examples of archetypal life journeys illuminated through these films they will experience empathy with the ineffability of their existence And in transubstantiating with these movie characters amidst history culture and family they will journey through their own conundrums in arcs that bring them moments of at one ment *The Death and Life of Main Street* Miles Orvell, 2012-10-01 For more than a century the term Main Street has conjured up nostalgic images of American small town life Representations exist all around us from fiction and film to the architecture of shopping malls and Disneyland All the while the nation has become increasingly diverse exposing tensions within this ideal In *The Death and Life of Main Street* Miles Orvell wrestles with the mythic allure of the small town in all its forms illustrating how Americans continue to reinscribe these images on real places in order to forge consensus about inclusion and civic identity especially in times of crisis Orvell underscores the fact that Main Street was never what it seemed it has always been much more complex than it appears as he shows in his discussions of figures like Sinclair Lewis Willa Cather Frank Capra Thornton Wilder Margaret Bourke White and Walker Evans He argues that translating the overly tidy cultural metaphor into real spaces as has been done in recent decades especially in the new urbanist planned communities of Elizabeth Plater Zyberk and Andres Duany actually diminishes the communitarian ideals at the center of this nostalgic construct Orvell investigates the way these tensions play out in a variety of cultural realms and explores the rise of literary and artistic traditions that deliberately challenge the tropes and assumptions of small town ideology and life **The Big Read** , 2008 **Aaron Copland's Hollywood Film Scores** Paula Musegades, 2020 A pioneering study of how American composer Aaron Copland helped shape the sound of the Hollywood film industry and introduced the moviegoing public to modern musical styles One of the most influential and beloved American composers Aaron Copland played a critical role in shaping what is often recognized as the American sound He is best known for achieving this through his works for the concert hall and ballet Yet his film scores though less familiar nowadays were equally influential Between 1939 and 1949 Copland composed the music for five major Hollywood films Lewis Milestone s *Of Mice and Men* 1939 Sam Wood s *Our Town* 1940 Lewis Milestone s *The North Star*

1943 and The Red Pony 1949 and William Wyler's The Heiress 1949 These were high prestige projects based on literary works by such respected figures as Henry James Lillian Hellman and John Steinbeck Using the film medium to introduce the moviegoing public to modern musical styles Copland challenged Hollywood's traditional uses of music in film His innovative approaches enhanced important national themes running through these films while also contributing to Hollywood's transformation as the Great Depression gave way to wartime tribulation and eventually postwar prosperity and Red Scare paranoia Aaron Copland's Hollywood Film Scores explores Copland's scores interviews and lectures tracing his legacy and lasting influence on Hollywood's sound s of music in film His innovative approaches enhanced important national themes running through these films while also contributing to Hollywood's transformation as the Great Depression gave way to wartime tribulation and eventually postwar prosperity and Red Scare paranoia Aaron Copland's Hollywood Film Scores explores Copland's scores interviews and lectures tracing his legacy and lasting influence on Hollywood's sound s of music in film His innovative approaches enhanced important national themes running through these films while also contributing to Hollywood's transformation as the Great Depression gave way to wartime tribulation and eventually postwar prosperity and Red Scare paranoia Aaron Copland's Hollywood Film Scores explores Copland's scores interviews and lectures tracing his legacy and lasting influence on Hollywood's sound s of music in film His innovative approaches enhanced important national themes running through these films while also contributing to Hollywood's transformation as the Great Depression gave way to wartime tribulation and eventually postwar prosperity and Red Scare paranoia Aaron Copland's Hollywood Film Scores explores Copland's scores interviews and lectures tracing his legacy and lasting influence on Hollywood's sound
