Out West:

Out West ,2000-09-01 One hundred and eighty years after Lewis and Clark s Voyage of Discovery 1804 1806 Dayton Duncan set out in a Volkswagen camper to retrace their steps Out West is an account of three separate journeys Lewis and Clark s epic adventure through uncharted wilderness Duncan s retracing of the historic trail now in various ways tamed paved and settled and the journey of the American West in the years in between Readers traveling with Duncan will encounter the people who inhabit today s West farmers and ranchers cowboys and mountain men Native Americans residents of dying small towns city dwellers who have survived cycles of boom and bust From the Gateway Arch in St Louis to the Oregon coast readers will be treated to a landscape as variously impressive as its people *Out West* Diane Powell,2020-07-28 This is the story of Sydney s much maligned western suburbs how the city spread across the plains to the Blue Mountains and why the westie stigma haunts the people of the region Resourceful and innovative the people of the western suburbs have created a culture of their own defying the westie stigma Out West uncovers the intricate social and cultural networks that make western Sydney a dynamic and stimulating place to live Out West looks at how the land of the Darug people of the Cumberland Plain was first settled by whites in colonial times It then traces the development of the westie stigma from the time of inner city slum clearances to post war immigration and the more recent waves of moral panic about the youth of the region It focuses in particular upon the way in which the media have contributed to the maintenance of the westie image **The Bradys Out West; Or Winning a Hard Case** ,1899 **Overland Monthly** ,1923

Out West Magazine ,1896 **Way Out West - Volume 1: The Journey Begins** Andy Woolard,2025-06-10 Way Out West Volume 1 The Journey Begins plunges into the gritty reality of 1872 Brooklyn where John Whitlock a man weathered by ceaseless labor at a butcher shop finds himself trapped in a life of monotonous exhaustion He dreams of a different future for his wife Clara and their children Matthew Ellie and Charlie a future beyond the city s suffocating grasp where opportunities for growth are scarce Fueled by the promise of the Homestead Act and land grants out West John and Clara make the momentous decision to leave everything they know behind Their departure is not a grand spectacle but a quiet almost unnoticed whisper of defiance against the life that has bound them The journey begins aboard a hulking iron train a symbol of both escape and the daunting vastness they now face As the Whitlock family travels through Ohio Indiana and Missouri the landscape steadily transforms from familiar fields to endless stretches of prairie mirroring the internal shifts within John The train itself becomes a microcosm of their new life a test of endurance where soot clings to their throats and the days blur into a rhythm of weary travel In St Louis a bustling in between city they encounter both the kindness of strangers like Hattie the boarding house keeper and unsettling warnings about the untamed West from a man who has lived there Yet beyond the practical challenges and the ever present threat of the unknown subtle hints of something far stranger begin to emerge John

experiences a profound sense of being watched on the prairie and later finds strange footprints around their camp that vanish without a trace Ellie his artistic daughter begins to sense the ones behind the trees the ones that don't walk like men even claiming They know I see them The family encounters unsettling occurrences like strange warm rain that leaves no wetness but a tingle These early encounters foreshadow a deeper mysterious layer to the land they are venturing into As Volume 1 concludes the Whitlocks prepare for the final leg of their train journey to Abilene Kansas the very edge of the tracks Beyond that there is only dirt vast space and whatever waits beyond the limits of their known world This initial volume sets the stage for a compelling family saga rooted in the American West but imbued with a growing sense of profound mystery and the unsettling presence of ancient unseen forces
