Becoming John Updike Laurence W. Mazzeno, 2013 When John Updike died in 2009 tributes from the literary establishment were immediate and fulsome However no one reading reviews of Updike's work in the late 1960s would have predicted that kind of praise for a man who was known then as a brilliant stylist who had nothing to say What changed Why And what is likely to be his legacy These are the questions that *Becoming John Updike* pursues by examining the journalistic and academic response to his writings Several things about Updike's career make a reception study appropriate First he was prolific he began publishing fiction and essays in 1956 published his first book in 1958 and from then on brought out at least one new book each year Second his books were reviewed widely usually in major American newspapers and magazines and often in foreign ones as well Third Updike quickly became a darling of academics the first book about his work was published in 1967 less than a decade after his own first book More than three dozen books and hundreds of articles of academic criticism have been devoted to Updike The present volume will appeal to the continuing interest in Updike's writing among academics and general readers alike Laurence W Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson and Matthew Arnold for Camden House's *Literary Criticism in Perspective* series

My Life as Author and Editor H.L. Mencken, 2011-12-21 H L Mencken stipulated that this memoir remain sealed in a vault for thirty five years after his death For good reason *My Life as Author and Editor* is so telling and uproariously opinionated that it might have provoked a storm of libel suits As he recounts his career as a critic essayist and editor of the ground breaking magazine *Smart Set* Mencken brings us face to face with the literary aristocracy of his day from the dour womanizer Theodore Dreiser to F Scott Fitzgerald drowning his gifts in alcohol Here too are the hacks poseurs and bohemian crackpots who flocked around them Most of all here is Mencken himself defying censors and Prohibition agents with equal aplomb in an age when literature was a contact sport

Hicks, Tribes, and Dirty Realists Robert Rebein, 2021-10-21 Robert Rebein argues that much literary fiction of the 1980s and 90s represents a triumphant if tortured return to questions about place and the individual that inspired the works of Hawthorne Melville Twain Faulkner and other giants of American literature Concentrating on the realist bent and regional orientation in contemporary fiction he discusses in detail the various names by which this fiction has been described including literary

postmodernism minimalism Hick Chic Dirty Realism ecofeminism and more Rebein s clearly written nuanced interpretations of works by Raymond Carver Cormac McCarthy Don DeLillo Louise Erdrich Dorothy Allison Barbara Kingsolver E Annie Proulx Chris Offut and others will appeal to a wide range of readers **Booklist's Guide to the Year's Best Books** Bill Ott,1992 **Southern Writers** Joseph M.
