## Out Of This Furnace:

**Out of This Furnace** Thomas Bell, 2013-02-07 Our all time bestselling title this classic and powerful novel spanning three generations of a Slovak immigrant family has been adopted for course use in more than 250 colleges and universities nationwide Out of This Furnace is Thomas Bell s most compelling achievement Its story of three generations of an immigrant Slovak family the Dobrejcsaks still stands as a fresh and extraordinary accomplishment The novel begins in the mid 1880s with the naive blundering career of Djuro Kracha It tracks his arrival from the old country as he walked from New York to White Haven his later migration to the steel mills of Braddock and his eventual downfall through foolish financial speculations and an extramarital affair The second generation is represented by Kracha s daughter Mary who married Mike Dobrejcek a steel worker Their decent lives made desperate by the inhuman working conditions of the mills were held together by the warm bonds of their family life and Mike s political idealism set an example for the children Dobie Dobrejcek the third generation came of age in the 1920s determined not to be sacrificed to the mills His involvement in the successful unionization of the steel industry climaxed a half century struggle to establish economic justice for the workers Out of This Furnace is a document of ethnic heritage and of a violent and cruel period in our history but it is also a superb story The writing is strong and forthright and the novel builds constantly to its triumphantly human conclusion
