Elliott, 2022-08-01 Idol Church Idle Church is a book that will draw you closer to Christ It examines what idolatrous religions are trying to accomplish with their faith and practices and then looks at Christianity and how it is different from other religions It shows how easy it is for followers of Jesus to slip from a dynamic relationship with Christ into the same philosophy as idolatrous religion The book is realistic about how difficult it is to resist the slide into idolatry or idolatrous thinking but does suggest ways to remain strong in Christ and move churches into dynamic relationship and away from status quo thinking and practice **Embodied** Preston M.
