The Neighborhood Church Robert G. Moss,2014-09-16 The purpose of this book is to provide a theologically sound yet easy to use resource based on the image of God that can help congregations engage relationally in their neighborhoods Rather than using the neighborhood as a resource to help make congregations successful The Neighborhood Church contends that God places congregations in neighborhoods to help make neighborhoods successful in accordance with God s vision This book is intended as a resource for pastors and other church leaders who pour significant amounts of energy into their congregations but feel frustrated with the results The problem isn t with church leaders energy or commitment On the contrary it s a lack of awareness as to how that energy and commitment can be channeled within God s call mission and movement This book is a crucial resource for congregations having difficulty navigating the treacherous waters of what it means to be successful according to God s vision **Neighborhood** ,1928 **Our Neighborhoods** Tessa Kenan,2024-08
