Our Sisters Keepers:

Our Sisters' Keepers Jill Bergman, Debra Bernardi, 2005-08-28 American culture has long had a conflicted relationship with assistance to the poor Cotton Mather and John Winthrop were staunch proponents of Christian charity as fundamental to colonial American society while transcendentalists harbored deep skepticism towards benevolence in favor of Emersonian self reliance and Thoreau's insistence on an ascetic life Women in the 19th century as these essays show approached issues of benevolence far differently than their male counterparts consistently promoting assistance to the impoverished in both their acts and their writings **My Sister's Keeper** Kerry Duke, 1999-01-01 *Am I My Sister's Keeper?* Barbara Geer, 2012-10-08 This book of Bible studies can be a benefit if you study it by yourself however you will also be blessed if you study with a few friends and share thoughts and experiences as you study God's word Be sure to always include a time of prayer when you get together with your sisters In this way you are inviting Jesus into the group and building unity These studies are designed to help you grow deeper in your relationship with Jesus Christ using different areas such as confidence self esteem faith grace and friendship with your sisters in Christ My hope and prayer is that you use this book of studies to draw closer to the One who redeemed you to walk in victory And that you don't just know Him in your head but in your heart as well Living on planet Earth is all about preparation for heaven You will be blessed when you journey through this short earthly life with sisters **A Black Woman's Guide to Getting Free** Tamara Winfrey Harris, 2024-07-09 Empowering feminist guidance for Black women on living unapologetically and authentically from the bestselling author of *The Sisters Are Alright* Unshackle your authentic self from the expectations and stereotypes of American culture through the 6 pillars of living free as a Black woman Tamara Winfrey Harris harnesses her knowledge as a two time author and storyteller of the Black femme experience and nationally known expert on the intersections of race and gender to deliver a sharp feminist analysis that is illustrated by real life stories and examples plucked from popular culture and intimate Black woman to Black woman truth telling This book is separated into two parts First the meaning of liberation is explored and Black women will be guided in creating sustaining practice to mature their well being along the freedom journey In part two readers are introduced to the 6 pillars of living free as a Black woman Spot the distortions Know your truth Celebrate the real you Understand the cost of liberation Practice freedom SEE free Black women everywhere With the bold astute writing that you have come to expect from Winfrey Harris *A Black Woman's Guide to Getting Free* urges Black women everywhere to choose themselves and choose freedom in a world that would have you chained **Woman to Woman Wisdom** Bettie Youngs, Linda Caldwell Fuller, Donna Schuller, 2005-08-28 Whether your heart is burdened or bursting with joy nothing satisfies quite like talking things over with another woman Regardless of the paths our lives take all women are sisters we speak a common language we share a universal bond Because the hopes and dreams that both burden and give flight to a woman's heart dwell within all of us we create relationships that are intensely rich precious and prized Thus we comfort and encourage each other we

help each other through life's ups and downs we know each other's experiences as if they were our own we are a blessing to each other As this book of beautiful inspirational life lessons reveals sharing the experiences of our lives imbues us with a wisdom the soul reveres Nothing happens without God's permission Desperately Seeking Sisterhood Magdalene Ang-Lygate, Chris Corrin, Henry Millsom, 2020-04-15 First Published in 1997 A collection of contributions from feminist researchers who attended the annual Women's Studies Network WSN conference in June 1995 Emphasizing theory practice and campaigning chapters seek to address contemporary issues from different perspectives theoretical practical and strategic I Am My Sister's Keeper Denise George, 2011 Am I My Sister's Keeper?
