## Our Weddings:

**A Christ-Centered Wedding** Catherine Parks, Linda Strode, 2014-05-01 Wedding planning has spawned a major industry. The average cost of the occasion now exceeds 25 000 and societal pressure to create the perfect day is so strong that even Christian couples forget what God originally intended for the sacred marriage ceremony. While paying attention to the good fun that follows that special proposal, the dress, the flowers, the cake, the gatherings, etc. A Christ-Centered Wedding first serves as a guide to believers who want their wedding to portray the relationship of Christ with the church and to reflect the gospel to all in attendance. From the start, this thoughtful book looks to the Creator of weddings for guidance in planning by emphasizing the sacrificial love of the Savior more than the modern world's idealistic view of romantic love. There are chapters filled with practical information about everything from pre-marital counseling and choosing a wedding location to other resources like a planning checklist and timeline, music suggestions, guidance on potential issues of conflict, a listing of traditional financial responsibilities, sample vows, and other great ideas from couples who have successfully put together a Christ-centered wedding.

**A Priceless Wedding** Sara Cotner, 2012-12-28 A Priceless Wedding is an essential resource for engaged couples who want to plan a meaningful, memorable, and economical wedding.

*Our Weddings* Dorit Rabinyan, 2002-01-01 By the time Matty is born, Iran and Solly's four older children are longing to fall in love. But the simplicity of their parents' romance seems as distant to them as a fairy tale. Each finds a life rich in unhappiness, filling Iran's home with whispers and wails none more piercing than her own.

**Equally Wed** Kirsten Palladino, 2017-05-30 By and large, most wedding books in the market are still centered around one bride and one groom. And yet, the advent of full marriage equality in the United States has made a new, polished wedding planning book dedicated to guiding LGBTQ couples both timely and essential. Kirsten Palladino will fill that need with this definitive book to inspire couples everywhere who are seeking a meaningful personal ceremony and a momentous beginning to legally married life. Equally Wed brings author Palladino's expertise as the founder and editorial director of the world's leading online resource for LGBTQ wedding planning to the page. Palladino walks readers through every step of the notoriously costly and arduous planning process with wisdom and accessibility. From how to incorporate hot trends among LGBTQ couples to advice on how to incorporate children into a ceremony to more serious hurdles like dealing with homophobia among family members, Equally Wed has it all. The author importantly includes an accurate picture of wedding budgets for couples from all backgrounds and shares her invaluable insider tips for making the most of each vendor; she also addresses fashion advice specific for LGBTQ readers such as suiting up as a nonbinary, nearlywed, or attending fittings as a butch lesbian or a transgender woman. And best of all, she does it with the celebratory, joyful approach that all couples deserve. With a beautiful 2-color package, a total absence of heteronormative terms and assumptions, and a wealth of advice on every wedding-related topic imaginable, Equally Wed is set to be the go-to LGBTQ wedding guide just as every
