Nig, Or Sketches from the Life of a Free Black Harriet Wilson, 2013-12 First published in 1859 Our Nig is an autobiographical narrative that stands as one of the most important accounts of the life of a black woman in the antebellum North In the story of Frado a spirited black girl who is abused and overworked as the indentured servant to a New England family Harriet E Wilson tells a heartbreaking story about the resilience of the human spirit The female child of a white female outcast and a black freeman Harriet Wilson gives a detailed account of what it was like being raised by a white family in the pre Civil War North of the United States a household where she was abandoned by her mother at 3 This biography gives a general idea of what a Negro's life in the North was like and it was not much different from that life of a slave in the South The mistress of the house was brutal beyond measure but many of the other family members were reasonably kind though not kind of enough to put a stop to the abuse and it makes one shudder to think of what could have happened in a family who had nothing but Negro haters in it Still Wilson recounts how she got a small measure of schooling and how she eventually became a Christian something which the lady of the house a Christian herself opposed and her eventual marriage An upsetting story it is nevertheless of much more value than Uncle Tom's Cabin as it was told from the point of view of the victim and not a sympathetic white *Our Nig* Harriet E. Wilson, 2011-12-20 With a New Introduction and Notes by Henry Louis Gates Jr and Richard J Ellis A fascinating fusion of two literary models of the nineteenth century the sentimental novel and the slave narrative Our Nig apart from its historical significance is a deeply ironic and highly readable work tracing the trials and tribulations of Frado a mulatto girl abandoned by her white mother after the death of the child's black father who grows up as an indentured servant to a white family in nineteenth century Massachusetts This definitive edition of Our Nig includes a new Introduction by Henry Louis Gates Jr and Richard J Ellis and a set of appendices Harriet Wilson's Career as a Spiritualist Hattie E Wilson in the Banner of Light and Spiritual Scientist a collection of her extant contributions to these newspapers Documents from Harriet Wilson's Life in Boston and a compilation of primary source material relating to Wilson's identity There is also a new chronology of the life of Harriet Wilson by Richard J Ellis as well as an up to date Select Bibliography of current scholarship regarding Harriet Wilson This edition gives the fullest account to date of the life of Harriet Wilson filling out many critical points regarding her life after writing Our Nig in particular when she became a medium who communicated with the dead and as an educator in the Spiritualist movement after the Civil War Our Nig:

Or, Sketches from the Life of a Free Black in a Two-story White House Harriet E. Wilson, 2013-09 First published in 1859 *Our Nig* is an autobiographical narrative that stands as one of the most important accounts of the life of a black woman in the antebellum North. In the story of Frado, a spirited black girl who is abused and overworked as the indentured servant to a New England family, Harriet E. Wilson tells a heartbreaking story about the resilience of the human spirit. This edition incorporates new research showing that Wilson was not only a pioneering African American literary figure but also an entrepreneur in the black women's hair care market fifty years before Madame C. J. Walker's hair care empire made her the country's first woman millionaire.

Our Nig Harriet E. Wilson, 2005-01-01 This seminal autobiographical tale, believed to have been the first published by an African American woman, describes the life and struggles of an orphaned mulatto. Part slave narrative and part sentimental novel, it recounts the heroine's exploitation first by her employers and later by an opportunistic husband. Essential for students of African American history and culture.

Our Nig, Or Sketches from the Life of a Free Black Harriet Wilson, 2010-03-01 *Our Nig* or *Sketches from the Life of a Free Black* is the tale of Frado, a mixed-race girl who was abandoned by her white mother after the death of her black father. Frado became the servant of the Bellmonts, a lower-middle-class white family in the free North, while slavery was still legal in the South. Frado's story is a tragic one; she suffered many abuses in the Bellmont household. After leaving the Bellmonts, Frado eventually married a black fugitive slave who later abandoned her. Strangely enough, Frado's oppressors were abolitionists, leading some readers who have studied *Our Nig* to claim that the book was written by a white person and was a novel rather than a true story. Nonetheless, many Black women who have served as wage slaves since abolition have found a spokesperson in Harriet Wilson. *Our Nig* will help the reader not just to pity such individuals but to understand their ability to fight back with their minds. Through *Our Nig*, Harriet Wilson gives a general idea of what a Negro's life in the North was like, and in many cases, it was not much different from that of a slave in the South. Frado's mistress was brutal beyond measure. Many of the other family members were reasonably kind, though not kind enough to put a stop to the abuse. Despite the abuse, Frado did manage to obtain a small measure of schooling and eventually became a Christian, though her mistress opposed it. Harriet Wilson drew from her own life experience in writing *Our Nig*. She also combined and subverted two literary styles: the sentimental novel and the slave narrative. Though rather unsettling, *Our Nig* is of more value than books such as *Uncle Tom's Cabin* because it is told from the point of view of the victim as opposed to a sympathetic white person.

Our Nig Harriet E. Wilson, 2005-01-01 **Our Nig** Harriet E. Wilson, 2012-04-19 Seminal autobiographical novel describes the life and struggles of an orphaned mulatto, recounting her exploitation by employers and an opportunistic husband.
