**Follow the Butterfly** Martta Kaukonen, 2025-03-04 THE HIT INTERNATIONAL BESTSELLER A female serial killer and her therapist play a brilliant game of cat and mouse in this twisty psychological thriller for fans of Ruth Ware and Alex Michaelides The Times It all started with a telephone call It was the first time I heard Ida's voice just a faint whisper as though she were calling from beyond the grave Renowned therapist Clarissa Virtanen is not afraid to look at the darkest side of humanity Haunted by the death of a young patient she will do whatever it takes to save the most vulnerable But when Ida, angry, damaged and seemingly suicidal walks into her office Clarissa may have met her match For Ida has secrets Murderous secrets which mark her like a bloodstain Secrets which drive her to kill And kill again Somehow Clarissa must find the key to unlock her past So she makes a bargain with Ida six months to try and stop her taking her own life But what if she has entered a game more deadly and more evil than she could ever imagine Don't miss this dark and twisty psychological thriller featuring a face off between 2 women that's overlain with a sense of poignancy about damaged lives the power of the imagination to trick and protect us and the passage of time

**On Third Thought....** George Waas, 2015-04-17 In 2012 I wrote a memoir entitled Retired and Loving It At that time I covered every subject I wanted to write about or so I thought Then after publication I began having second thoughts Wait that's not right I had a second thought and decided not to write anything further Then I had a third thought I understand lots of people claim to have second thoughts about a particular matter but if they have more than one how can the one after the second also be a second thought Frankly I don't know how anyone can have second thoughts about the same subject Anything beyond a second thought is a third, fourth, fifth etc at least by my count It was on my third thought that since I discovered other things to write about I decided to set them out in a mini memoir as a sequel to my earlier book I checked with an online publishing company and found several books entitled On Second Thought and On Second Thoughts and related titles For those who chose the latter title they probably didn't give it much thought But I did and I didn't find a single book that bore the title On Third Thought So that's the one I chose as they say the third time is the charm This sequel to my 2012 book my mini memoir focuses on three general subjects First my

reflections on things past second living in the present since it's the only time we can live the past is history and the future lies ahead and third making sure that to the best of my ability my future is bright and enjoyable by remaining involved in matters of interest and importance to me And if I can write a book about me you can write one about you So get on with it
