Out Of The Pit:

Out of the Pit Sondra Martin Hicks,2025-08-16 Out of the Pit is the raw unflinching true story of John Borgstedt a man who refused to let his past define him From a childhood marked by abandonment and abuse to years spent locked away in mental institutions and solitary confinement John s early life reads like a tragedy But this is not a story of victimhood it s a story of victory Through every heartbreak every betrayal and every moment of excruciating pain including a devastating accident that left him with permanent spinal damage and a near death experience on the operating table John chose grit over giving up He chose hope over despair Today John is the heart behind one of the most beloved BBQ joints in East Texas where he dishes out more than just smoked brisket he serves up courage compassion and relentless encouragement to everyone who crosses his path Out of the Pit is a powerful testament to the strength of the human spirit and a reminder that even in the darkest places victory is possible This isn t just a story you ll read It s a story you ll feel and one you ll never forget

Out of the Pit Steve Jackson,Livings Jackson,1989 **Out of the Pit** ,1989 **Out of the Pit** Hannah Parkison,2018-11-27 In 2008 I embarked on a journey that no one would wish upon themselves I suddenly found myself at the bottom of the pit of anxiety and depression I battled restlessly with my crippling fears and was confronted with a sense of hopelessness that is until God entered into my situation I learned to cling to His love and guidance as I gradually ascended out of this cavernous pit I am now grateful for what I went through though it seemed so daunting at the time My life has changed drastically as I ve grown in my relationship with Him and I am a whole new person Since my breakthrough I have promised God to help others out of their own depths of despair It is my passion to walk alongside people in their pain and be a living testimony of what is possible with God I ve seen the way God can work through my story and I wanted to bring it to a larger scale and reach as many as possible This book is a battle plan that mirrors my exact steps out of anxiety and depression including the spiritual and practical tools I used to climb out of the pit I d love nothing more than for you to allow me to guide you with God by our side
